Congratulations
to the Graduates
of Torrance Hi!

It's been wonderful to have worked with you and to have served you during your high school career. It shall be my pleasure to further serve you during your college- or business career.

GOOD LUCK
Graduates

Congratulations, Class of 1952 . . . and may we leave this thought with you. The diplomas that you have received are your licenses to apply your learning in an adult, practical world. Use your knowledge well . . . that graduates in the years to come may benefit from the better society you will have helped create for them. Good luck to you, one and all!

SMALL OUTPUT
The total output of tin in the United States in 1949 was only 68 long tons. Of this amount 51 tons came from Alaska and 17 tons from Colorado.
