CONGRATULATIONS GRADUATES

*... success to the
class of 1952..*

At last the BIG day . . . cramming, tests and papers forgotten . . . a light and joyful heart proclaims that you have actually graduated from Torrance Hi . . . that you MADE IT . . . and the sun will shine on a bright new tomorrow . . .

... take heart and be glad . . . the world is yours!

Go forth to win your goal . . . roll with whatever punches throw your way . . . the world needs your youth, your enthusiasm, your energy and your fresh viewpoint . . .

Be guided, if you will, by the experience of those who have traveled the path before you . . . seek to improve that path so that those who may follow you will in turn be helped!

Don't let the rocks in the road or the siren calls of those who would halt or deter you lead you astray. If you fall, get up and go on. Thus you will be stronger and surer of victory. . . . take heart and be glad . . . the world is yours!

*There Will
Always Be
Light!*
