

**G**old is Slave or Master,"... Horace. "You cannot serve God and Wealth," said Jesus. But every man serves God or Wealth. A man's use of money is the thermometer of his soul. The Miser is heathen. Covetousness is idolatry. Look at him... bumping his head on the ground in worship to a silver dollar. No light in his eye. No song on his lips. No lift in his voice. No smile for his neighbors. No lift in his life. AND, when he is dead, No tears for his departure.

A wealthy man pointed out to a visitor his vast land holdings. "I own as far as you can see in all four directions," he boasted. The visitor pointed upward. "How much do you have in this direction?" Money is useful but not eternal.

## H. Springers Return from Month's Trip

Arriving home this week from a month-long motor trip through the deep South were Mr. and Mrs. Herschel G. Springer and son, Robert, 5405 Carol Drive.

Leaving the moment school was out, the Springers motored to Georgia, where they were guests of Mrs. Springer's mother and sister at a several hundred-acre peanut farm. During their week's stay here, they made many side trips to Florida.

Enroute home, they spent another week in Missouri visiting Mr. Springer's aunt and other relatives and attending a family reunion picnic.

Climax of the trip was the Indian Pow-Wow held in Flagstaff, Arizona, an event which the Springers have attended the last four years.

The travelers covered 12 states in 6113 miles. Most of the highways are in good condition, they said. They reported that the Gulf Coast route gives one a very green, fertile picture, while the Mid-West is in the midst of a 40-day drought, the worst since 1935-1936.

Mrs. Springer is a primary instructor in Walteria schools.

## Kids' Circus Due July 15

## Reflections

By J. HUGH SHERFEY, JR.

TREAT TOURISTS  
AS GUESTS

We think Torrance has more livability than anywhere else. Can we tell others why we think as we do?

This is vacation time. When you've been away, asked a question about a road, marker, population, you expect an authoritative answer and if your informer gives it proudly you have great respect for him and his city. We have the most beautiful country on earth, we live here, and should know everything there is to know about it. I wonder how man can tell the number of churches, schools, pupils, merchants, banks, miles of paving, population, our chief farm product, its value, etc.?

These are questions you have asked and are the ones our guests will ask. Be proud of Torrance; your answer will reflect your pride.

Make our Tourist-guests feel welcome. They'll remember.
