BARBARA LOGAN VERSATILE YOUNG LADY

You'd never guess it to look at her, but Barbara Logan, diminutive vocalist of the Johnny Dugan Show, Mondays through Fridays at 12:30 p. m. on Channel 4, is an experienced lion tamer, and once raised a lion cub as an apartment pet.

herself. She studied for 18 months, practicing with everything from a black panther to a tiger and lions. Barbara has been in a cage with as many as seven African lions.

"Lions work on whip cues," Barbara explains. "When the whip is down, they charge; when it's up they back away." So far no lion has ever gotten her signals mixed.

If you call by number, you'll have faster long distance service if you give the operator the out-of-town telephone number you are calling, rather than just the name and address. That way, you see, you won't have to wait while she gets the number from "information" in the distant town you're calling. You'll save time... and calling by number means better service for everyone, especially now when long distance lines are carrying so many important industrial and military calls.
