

# Kettler Kapers

By TEO CUNNINGHAM, Lonita 232-J

Are you a registered voter? Ask because I received a call from Mrs. Olea (Clarence) Brown the other day informing me that the registrar books are open and will be until the 11th of September, so if you aren't registered now and do not intend to vote in the November election, she will register you in her home, which is located at 2935 Middlebrook Rd., or if you give her a call, Lonita 2924-W, she will be more than happy to come to you. It's our privilege and duty as Americans to VOTE, so let's get out and do it!

Returning home last Sunday after a three weeks visit in Berkeley with grandma and grandpa. Mr. and Mrs. Emil Waisberg, were Middle and Grand Waisberg of Reynolds Dr. Daddy Herb and mom Kitty drove up after their last weekend. They were there when the first tremor of the now well known Tehachapi quake took place. It started them cracking the house in several places and did quite some damage to the business district. They are still having them often. In fact, they had six distinct ones Saturday night. What provoked the girls most, though, was that it damaged the swimming pool which they frequented every day, enough that it was closed for a while and the girls didn't get to take those cooling dips. They had a wonderful time, though, as one always does at grandma's.

Another interesting trip taken by Dorothy and Ed Palmer, and Dorothy's father, Timothy Burns, was the one that took them up to Lake Arrowhead last Monday to watch the filming of pictures for television. They were the guests of Bill Brody, president of the TV company making the films. Bill went to school with Dorothy's brother back in Boston, Mass. How exciting... first a tour of a movie studio last week, and now seeing behind the scenes of a TV picture.

LA. Gerry Wright, brother of Marie Fotte of Reynolds Dr. left Monday to spend the rest of his leave in Idaho, before reporting back to Camp Stoneman for shipment overseas. He has been the house guest of Dave and Marie for a little over a week.

Earl and Joy Manchester of Western Ave. welcomed a son

into their family the 6th of July. Young Timothy Todd, as that's what they named him, was a hefty little boy, weighing 10 lbs., 4 oz. upon his arrival at St. Francis Hospital in Lynwood. Sister Jana 13 months, thinks little brother Tim is nicer than any of her other dolls, and is looking forward to when she can hold him. Congratulations, folks, and best wishes too!

A week at Camp Cedarcrest in the San Bernardino mountains at Arrowhead provided Dennis Wainwright with thrills and adventures that she can always remember. Among which was a visit from a bear who picked a most inconvenient hour to come calling. When he didn't find anyone around the camp up, he picked the cabin in which Dennis, 19 other girls and 2 counselors were sleeping, on whose door he knocked. It was rather frightening but exciting too! Also on the agenda was a trip to Snow Valley and a ride on the old lift, a trip to Big Bear Lake itself, and camp fire services in the evenings. Dennis returned home last Sunday, already looking forward to going again next year.

A new experience for the Trezise girls, Janice and Dianna, was the camping trip that they took with mama Lou and daddy Zerk to Yosemite Park, arriving back home last week-end. While there they visited the fish hatchery and were fascinated by the "fiddy biddy fishes." From Yosemite they drove to San Francisco to visit Lou's sisters have dinner at Fisherman's Wharf, and to see Golden Gate Park... a trip to the zoo was also planned, but Janice and Dianna just couldn't put the sandman off any longer, so went to sleep instead. It was nice getting away, but that old home on Santa Fe St. looked mighty nice too when they got back.

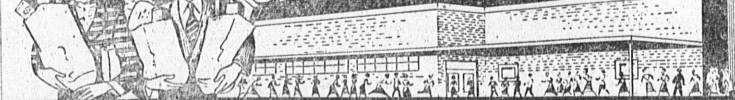

Thinking that it was just a social get-together, Kyle and Evelyn O'Hara were surprised to find that they were the honor guests at a pre-anniversary party at the Cunningham house last Saturday night. The evening was spent playing games, mainly charades, with the women pitting their wits against the men. Many hilarious moments were provided, what with the frantic and far-fetched gestures and dramatics. Buffet refreshments were served to Stan and Billie Heiman, Charlie and Leona Schiffer, Joe Platt and Mary Mehrens, all of Torrance, Dominic and Kay Milligan of Bellflower and Cpl. Jim Mehrens of Long Beach. Carrying out a pink and white color scheme, the table was centered with a heart-shaped cake wishing the O'Haras a "Happy Anniversary." Aren't surprises fun?

Speaking of wedding anniversaries, may we wish Joe and Velma Lucas of Huber St. a very nice one on the 12th of this month? And while sending out greetings, how about the birthdays this week? There is Mrs. E. R. Sands of Cabrillo Ave., whose special day comes on the 4th; Suzanne Wentz of Marinette St. the 7th; Aaron Sullivan, the 8th; Carolyn Boss and Karol Clever, the 12th; and Cathie Anderson, the 13th. Happy birthday to you all, and may you have many, many more. Oh yes, Walt West has a birthday the 9th... though he isn't here to receive it, perhaps Millie will send it on to him. So here's greetings for him too.

More new neighbors to welcome, these have brought the house at 1858 Reynolds Dr. and are Frank and Helen Cannon and daughter Frankie, who is 13 and a student at Torrance Elementary. Frank is a maintenance man for the Torrance Recreation Dept., while Helen works at McCown's Drug Store. They formerly lived on Andree, but before that were Kettlerites, having lived on Middlebrook Rd. Mustn't forget Pudgie, he's the dog and completes the family. Welcome back, folks!
