One of the largest pie sales and one of the most successful ventures held in some time, took place at Manor Market Saturday when the ladies of the Alpha Society displayed their culinary arts and in no time at all had sold the last pie and piece of homemade candy. This is only the beginning of a series of money-raising endeavors to get under way a building fund for the proposed Evangelical United-Brethren Church to be erected in this area. Ann Collins, president of the society, explained that the name chosen for the group was very appropriate since Alpha was the beginning and this organization is the first of this affiliation to band together to further a cause near and dear to the hearts of many.

The monthly dance given by the N.T.C.A. at McMaster Hall Saturday drew a crowd for the usual good time. Many prizes were won. The Kato Nursery of 186th St. and Crenshaw Blvd. gave five plants and Larry's Service supplied some lucky person with an oil change and grease job. After an evening of dancing refreshments were served.

John H. Bogdan, who in June married the former Doris Ahrendt of 4235 W. 178th St., sailed for Korea on the USS Toledo this week. The couple will be remembered for the very beautiful wedding and reception; we all wish John a very speedy homecoming.

He is a 1952 graduate of Torrance High. Sylvia is a Torrance High student.

Two residents of the area have sold their homes and are bidding adieu to neighbors, the Otto Giese family of Patronella St., and the James Stanburys of Cerise Ave.

The sixty persons who attended the open house at the Ed Collinses, 17025 Crenshaw Blvd. Sunday afternoon, were not kept in the dark long as to the reason for the occasion. A huge sign on the garage read: "Sally and Eddie" and encircled were two wedding bands. This announcement didn't come as a surprise to the many who know the Collinses and knew of their genuine approval of the prospective son-in-law. Only last week Eddie (VonBehren) celebrated his 20th birthday by being discharged from the Air Corps. Sally dressed in a black blouse and a black and white checked taffeta skirt; a very proud Ann and Ed Collins introduced Mr. VonBehren to the crowd, who offered their congratulations. Both Sally and Ann wore corsages of gardenias. A buffet was served in the backyard.

Having conversed with a mother of three along the line of building memories for our children, brought to mind an article which I read of a mother who was asked how she could spend so much time picnicking in the yard with her children and answered: "I feel sure my children will not remember the hours I spent ironing jeans, but perhaps they may remember one happy hour we spent picnicking in the backyard."
