BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA
APPLICATION FOR INCREASE IN RATES

In the Matter of the Application of
SOUTHERN CALIFORNIA GAS COMPANY
for a general increase in gas rates
under Section 454 of the Public Utilities Code

NOTICE OF PROPOSAL FOR INCREASE IN GAS RATES

SOUTHERN CALIFORNIA GAS COMPANY hereby gives notice that application was filed with the California Public Utilities Commission on August 29, 1952, proposing and requesting authorization of the Commission to increase the charges of gas service supplied customers. The amount of additional annual gross revenues sought is approximately $4,355,000 based on estimated 1952 purchases by Applicant from the El Paso Natural Gas Co., less the volume of such purchases allocable to wholesale sales. The preliminary spread of proposed revenue increases is:

Class of Service	Approximate Amount of Increase	Approximate Percent Increase
Retail Firm Natural Gas Service	$3,009,000	3.59%
Retail Interruptible Natural Gas Service	1,346,000	8.03%
TOTAL	$4,355,000	4.33%

The State, the counties and municipal corporations, which may be interested in the above-mentioned application will be furnished a copy upon request made to Southern California Gas Company, Box 3249, Terminal Annex, Los Angeles 54, California.

This notice is given in accordance with the requirements of Rule 24 of the Commission's Rules of Practice and Procedure.

NOTICE FOR BIDS ON
SCHOOL SUPPLIES, EQUIPMENT
AND REPAIRS

Notice is hereby given that the Board of Education of the Torrance Unified School District of Los Angeles County will receive bids for furnishing certain school supplies, equipment and repairs as per list and specifications on file in the office of the Business Manager, 2335 Plaza Del Amo, Torrance, California.

Each bid must be submitted on a printed form furnished by the Board of Education, must be sealed and filed in the Business Manager's office on or before Friday, Sept. 12, 1952 at 10:00 a. m. and will be opened in public at that time and place and each bid aggregating $1,000 or over, must be accompanied by a certified or cashier's check for not less than 5% of the total amount of the bid; provided that if only certain items of a bid are accepted the bidder may thereupon substitute a certified or cashier's check for 5% of the aggregate amount of the accepted items on his bid; and providing further that firms doing business regularly with the Board of Education may at the discretion of the Business Manager and in lieu of the above mentioned check, file with the Business Manager of the Torrance Unified School District, an annual or continuing surety company's bond in the sum not less than $5,000.00 to insure compliance with the terms of their signed bids submitted from time to time during the life of the bond.

The above mentioned check or bidder's bond shall be given as a guarantee that the bidder will comply with the terms of his signed bid; and if the successful bidder fails thus to comply with the terms of signed bid, after acceptance thereof by the Board, his check or bond will be forfeited.

Other conditions being equal, preference will be given to the products of the State of California.

The Board reserves the right to reject any and all bids, or any part of a bid, and to waive any informality in the bids received.

Firms or individuals desiring to submit bids from time to time on school supplies and equipment, shall list themselves with said Business Manager of the Torrance Unified School District.

CITY OF TORRANCE, CALIFORNIA
NOTICE INVITING BIDS FOR CONSTRUCTION OF
ADDITIONAL WATER FACILITIES

Sealed proposals will be received at the City Clerk's office, City Hall, 1511 Cravens Avenue, Torrance, California until 8:00 o'clock P.M. on the following dates for construction of the following additional water facilities:

10 Million Gallon Reservoir and Appurtenant Structures (Specification No. 1); bids to be received on September 16, 1952 for constructing a 10-million gallon covered reservoir of reinforced concrete, together with appurtenant structures. The work is located within the City of Torrance and along the east side of Crenshaw Boulevard approximately ½ mile south of Pacific Coast Highway. At the above-mentioned address, hour and date the proposals will be publicly opened and read. The principal items of the work involve approximately 45,700 cubic yards of excavation, 29,400 cubic yards of embankment construction and backfill, 5340 cubic yards of concrete, 285 tons of reinforcing steel and 2900 linear feet of woven wire fence.

One Million Gallon Concrete Tank (Specification No. 3); bids to be received on September 16, 1952 for constructing a one million gallon concrete tank of the prestressed type. The work is located within the City of Torrance approximately 750 feet southwest of the intersection of Yukon Avenue and 174th Street. At the above-mentioned address, hour and date the proposals will be publicly opened and read. The required tank has an inside diameter of 75 feet and a depth of 33 feet at the walls. It is to be constructed of poured concrete walls and floor and gunite dome-type roof. The walls are to be wrapped with wire reinforcing under tension followed by application of a gunite protective coating.

Drilling and Developing a Water Well (Specification No. 4); bids to be received on September 10, 1952 for drilling and developing one 16-inch diameter, gravel incased water well approximately 600 feet in depth. At the above-mentioned address, hour and date the proposals will be publicly opened and read. The well is to be located near the northeast corner of Ocean Avenue and 226th Street within the City of Torrance.

A bidder must furnish as part of his proposal a full and explicit statement of his plan or layout for performing the work, including a complete description of proposed construction plant and detailed program for construction. He must also submit with his bid a statement of his experience and financial condition. Failure to comply with these requirements will render a bid informal and shall be sufficient cause for rejection.

Each proposal must be accompanied by a certified or cashier's check in the amount of ten percent (10%) of the estimated aggregate amount of the bid as a guaranty that the bidder will, if an award is made to him in accordance with the terms of his proposal, promptly secure workmen's compensation insurance, execute a contract in the required form, and furnish satisfactory bonds for the faithful performance of the contract and for the payment of claims of materialmen and laborers thereunder. Said faithful performance bond shall be in the sum of not less than 50 per cent of the estimated aggregate amount of the payments to be made, under the contract, computed on the basis of the prices stated in the Bidding Sheet. The bond for materialmen and laborers shall be in the sum required by Chapter 3 of Division 5, Title I of the Government Code of the State of California.

In accordance with the provisions of the California Labor Code, the City Council has ascertained the general prevailing rates of wages and the general prevailing rates for legal holiday and overtime work in the locality in which the work is to be performed to be as shown in the following schedule, and it shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

Wages to be paid riggers or welders employed or engaged on the work shall be the same wage scale as the craft to which the rigging or welding is incidental. All foremen not herein separately classified shall be paid not less than $1.40 per day more than the journeyman rate for the craft involved for the following: carpenters, cement finishers, laborers, operating engineers, truck drivers, reinforcing iron workers. For all other crafts, all foremen not herein separately classified shall be paid not less than $1.00 per day more than the journeyman rate for the craft involved.

The above listed rates are based upon a working day of eight (8) hours; being proportionately applicable to eight (8) hours or less of employment in any week other than Saturday, Sunday and the following seven legal holidays, to-wit: New Year's Day, Memorial Day, Fourth of July, Labor Day, Armistice Day, Thanksgiving Day and Christmas. For any working time of more than eight (8) hours in any one calendar day, and for time worked on Saturdays, Sundays and any of the aforementioned holidays, not less than one and one-half (1½) times the specified rates shall be paid; provided, however, that notwithstanding the general provisions hereinabove set forth, the straight rates specified for Flagmen, Guards or Watchmen shall be applicable to a maximum of eight (8) hours of employment per calendar day, including Saturdays, Sundays and holidays, for a total of not over forty (40) hours per week, but that not less than one and one-half (1½) times such specified rates shall be paid said Flagmen, Guards or Watchmen for any time worked in excess of eight (8) hours per day or forty (40) hours per week.

The rate of compensation for any classification not listed in the schedule, but which may be required to execute the proposed contract, shall be commensurate and in accord with the rates specified for similar or comparable classifications or for those performing similar or comparable duties. Wages to be paid laborers employed on the work shall be determined in the manner provided by Section 1777.5 of the aforementioned Labor Code.

The contract documents shall consist of this Notice Inviting Bids, together with the Instructions to Bidders, Form of Proposal with Bidding Sheet and Bidder's Plan for Construction, Form of Agreement, Specifications, and the Drawings dated therein, all of which documents and drawings are on file in the office of the City Clerk and are hereby made a part of this notice. Complete plans and specifications may be examined at the above mentioned office or at the office of James M. Montgomery, Consulting Engineer, 15 North Oakland Avenue, Pasadena, California, and may be obtained from either office upon deposit of the following amounts:

Specification No. 1	$25.00
Specification No. 3	$10.00
Specification No. 4	$ 5.00

Said deposits will be refunded upon return of such copies in good condition within thirty (30) days after bids are opened.
