

Three Local Businessmen Join Chest

Three Torrance businessmen have been added to the 1952 Community Chest campaign here. City Chairman Don Armstrong announced yesterday.

Working with Armstrong as vice chairman for the city's Red Feather appeal will be A. E. Thompson of General Petroleum's local plant and John Edginghouse of the American Rock Wool Corp.

Also picked for a top spot was B. T. "Red" Whitney, owner of the Whitney Finance Co. Whitney will chairmen the advance gifts division of the Chest appeal here.

Whitney will head a group of eight volunteers who will handle solicitations of special prospects in advance of the general campaign kickoff. The advance gifts campaign is slated to start on Sept. 22.

The advance gifts campaign will be the second phase of the Chest appeal to begin work. The commerce and industry unit is scheduled to start on Sept. 15. These will be followed by public employees, business, and residential campaigns, Armstrong said.
