

## Orchestra and Choral Groups Meet, Plan Season's Activities

Walter Slike, choral instructor, and Patton McNaughton, instrumental instructor at Torrance High School, met Wednesday evening with their newly-formed music classes under the Adult Education program, and announced their plans for the coming season.

Many residents of the Torrance and surrounding districts are on hand and the prospects for an enjoyable experience in both the choral music field and the instrumental music field are very bright, the men report.

Slike is planning the presentation of Mendelssohn's "Hymn of Praise," Handel's "Messiah,"

## New Treatment For Arthritis And Muscle Pain

TORRANCE — If you have been suffering for years from arthritis and muscle pain, do not despair. Dr. Larson's new application of the latest in scientific therapy is promising new hope for relief of the crippling torture of arthritis and rheumatic conditions. You are invited to come in for a complete examination to discover the true cause of your condition. Price for this examination only \$3.00. Phone Torrance 2130 before coming to office of Dr. R. A. Larson, D. C., Ph. C., 1110 Sartori Avenue, Torrance 40900 or write BELTONE, 304 (three doors north of Torrance N. Pacific Coast Highway, Red Blvd.).

McNaughton is planning a truly "all Torrance" instrumental group by concertizing as a secondary factor to a great deal of music reading. That is, they do plan to work towards public performances, but only when the group itself indicates that desire. Otherwise they will read through a lot of serious, semi-serious, and light popular materials, to be suggested by the group itself. They will strive to gradually develop a Torrance Pops Orchestra with emphasis on getting together the many fine players right here in the district for an enjoyable musical experience, rather than the emphasis on "public performance at all cost."

Both Slike and McNaughton will welcome all musically interested persons to pay these groups a visit on Wednesday evenings at 7 o'clock.
