Mint Jelly Garnish

Choose a leg of lamb weighing 4 1/2 to 6 lbs. Have shank frenched if desired. Do not remove fell. Rub with 1 1/2 tablespoons salt and 1/4 teaspoon pepper. If desired, small slivers of garlic may be inserted into deep narrow gashes in the meat. Place roast side up, on rack in uncovered roasting pan. Roast in 325° F. oven for 35-40 min. per lb. or to "well-done," 182° F., on the meat thermometer.
