

Colds, Flu Lowers Heights Residents

By GRACE RYCKMAN

A possibly serious accident was avoided last Sunday morning by the skill and experience of the bus driver for the South Bay Baptist Church Sunday School. Just as he finished picking up all the Sunday School children here and in the Ranchos and headed for the temporary church, which is located in El Retiro Park, a car pulled into his path. He had to stop so quickly to keep from hitting the car that most of the children were unseated. Two little girls in our area sustained cut lips. One was Marilyn Mercer, age 4, of Vandeghill Rd., who was taken right home. The other was Cynthia Jennings of Doris Way, who went on to Sunday School. The driver is certainly to be commended.

Well, how many of you have made your plans to attend the Seaside PTA meeting this evening at 8 o'clock? Remember, this is the meeting where your child's dental health will be discussed by Doctors Harvey Cole and Arthur Berke. What could be closer to our hearts?

Catching up on a little of last month's news, I hear that Chuck Austin's nephew, Sgt. Clayton Shuttis, USMC, arrived in the States Dec. 21 after more than a year in Korea. Vera Austin picked Sgt. Shuttis and three of his buddies up in Los Angeles on the 22nd and brought them home to 5113 Macafee Rd. for the day and a night before they boarded a plane at the Municipal Airport to go home (New York) for Christmas.

past month are Mr. and Mrs. Roland Chalisoux and their seven-year-old daughter, Jerry. Mrs. Mary Chalisoux is a niece to Mr. Rock. They are from Willimantic, Conn., but are seriously thinking of making their permanent home here in the Heights.

There are numerous congratulations on birthdays this week, some a little belated, some just a little bit early. First, congratulations to Harold Phillip of Macafee Rd., whose birthday was Dec. 16. And while speaking of him we can add an anniversary congratulation, to both Harold and Isobel Phillip. They celebrated their 20th anniversary on Dec. 19.

Another belated "Many Happy Returns" goes to Carl Sellick of 5105 Macafee Rd. His birthday was Dec. 29, and I hear there was a real gay party to celebrate.

(Mr. and Mrs. Reed Shanks (Leo), also of Macafee Rd., had visitors for dinner and a sort of second Christmas on the Sunday following Christmas. They were Mr. Shanks' mother and his sister and her family.

Christmas, New Year's, and all the expense that comes along about that season of the year are fairly well settled by now for most of us. But how about the George Sibley family of 6004 Macafee Rd.? On Jan. 4 little Carol Sibley had her birthday and is now seven years old. Then brother Stevie will be six years old on the 15th of the month. AND that isn't all... on the 21st Mother Carolyn will celebrate her birthday. Perhaps just to finish up I should add that Daddy George has already had his birthday and that was on Dec. 15. So... Congratulations to all you Sibleys.

One birthday and one anniversary I can really get right on

time: the birthday of Tabby Moffett of 5012 Macafee Rd. is today, Jan. 8, and the 12th anniversary of Mr. and Mrs. Emmett Ryckman of 5229 Bindewald Rd. is also today... Jan. 8... There has been and still is

a big run of colds and flu through the tract, and elsewhere too, it seems. A few that I know of who have been very terribly sick are Norma Ledbetter of Bindewald Rd., Brownie Troop Leader Virginia Pace of Macafee Rd., both of these ladies had the flu, and little four-year-old Jackie Jurisch had a cold and asthma. I'm happy to say that all three are well now. Back home at 5311 Bindewald Rd., after nearly a week's absence (Dec. 28-Jan. 3) is Mrs. Jack Wesson (Atha). She was in Switzerland, Calif. high up in the San Bernardino mountains near Crestline—that is just below Arrowhead. She stayed with her daughter, Cora Hayes, and her two grandchildren in a lovely chalet which is one of

Bank of America Resources Pass \$8 Billion Mark!

New Records Set in Deposits, Loans and Capital Funds

Its statement of condition as of the end of 1952, just released, shows Bank of America has exceeded \$8 billion in total resources, and has attained new records in deposits, loans and capital funds.

Total resources for the bank stood at \$8,201,689,368, which is a gain of \$670,392,441 during the year. Adding the subsidiary Bank of America-New York (International), the grand total of resources is \$8,300,231,823, which is \$682,971,719 higher than a year ago.

DEPOSITS INCREASE
Bank of America deposits as of December 31, 1952, totaled \$7,485,116,183—a 12 months gain of \$669,249,388.

Loans outstanding at the year end totaled \$4,069,150,471, an increase of \$436,465,122 over the previous year end.

Investments in securities aggregated \$2,413,852,775, which is \$25,657,869 lower than last year.

CAPITAL FUNDS UP
Total capital funds of the bank rose to \$424,302,145, of which \$11,916,287 was added from retained 1952 earnings. In addition to these capital funds, \$51,423,848 was held in reserve for possible loan losses. Total increase for the year in this reserve and capital funds was \$16,731,752.

Net operating earnings before provision for Federal income taxes were \$103,316,287, as compared with \$96,794,581 for 1951. After provision for these taxes and transfer of \$10,000,000 to the reserve for possible loan losses, net profit remaining was \$50,316,287, equivalent to \$2.10 per share on the 24,000,000 shares outstanding. This compares with \$50,974,581, or \$2.12 per share for 1951.

President Carl F. Wente observed that Federal income taxes were equal to \$1.79 per share, or 29 cents per share greater than in 1951. He stated that while high tax rates and increased operating costs had nullified the year's gains in gross earnings, he hoped that tax relief in 1953 would allow improvement to be shown next year.
