**Motor Vehicle Director Urges Motorists to Get Tabs Early**

A. H. Henderson, State Director of Motor Vehicles, today invited California motorists to register their vehicles early this month. The annual renewal period closes Feb. 4. "A larger number of early renewals of car registrations will permit the Department of Motor Vehicles to offer the public better service," Henderson said. "We hope to help people avoid a last-minute rush in the closing days of the registration renewal." The Motor Vehicle director reminded car owners that the law imposes penalties for delinquent registration of vehicles. These double the registration fee of \$6.00, and add 50 per cent to the vehicle license fee. The law also increases weight fees and fees for recording transfers of ownership, if not paid within the specific period.

Bank of America, and temporary offices manned by traveling registration crews. On payment, the 1953 statement is stamped and returned to the owner to serve as the new registration certificate for display in the vehicle, and 1953 tabs are delivered.
