Sensational ROCKS THAT GROW

Backs in twelve gorgeous colors actually grow into beautiful and fantastic formations right before your eyes. The growing of underwater gardens has become America's newest and most fascinating hobby. Once grown, these striking underwater pictures will last for years. Best ever to make them into different and unusual Christmas presents for your friends. An ideal gift for children. Make your own home with an underwater scene in the bowl. If you have never seen one, you can't imagine their unbelievable beauty. Come in and see our spectacular display on exhibition NOW. Magic I.J.
