GAIN NEW JOY IN LIFE  
There is no need for you to be tired, nervous, cranky or constipated if due to dietary deficiencies which occur only when the daily intake of B-vitamins and Nicotin is less than minimum requirements over a prolonged period. These non-specific symptoms in themselves do not prove a dietary deficiency and may have other causes or be due to functional conditions.  
If you've resigned yourself to a life without companionship... without fun, and parties... simply because you haven't the necessary physical power and energy... **BEXEL SPECIAL FORMULA** may be just what you need to pep you up... to give you new vim, sparkle... new joy in life.

**POTENCY GUARANTEED**  
You take just ONE easy-to-swallow Bexel capsule a day, and that's all it costs you only about 6c a day... a tiny price to pay to protect yourself. Money back if you don't feel better after one bottle of Bexel!
