

Walteria News Notes

Walteria PTA Head Hostess to Leaders

By BETTY MITCHELL
Lomita 2635-W
Visiting at the home of Mr. and Mrs. L. V. Christian, Neese Ave., were Mr. and Mrs. Wesley Christian. The Wesley Christians live in North Torrance since Wesley's discharge from the U. S. Army.

There was a lot of fun to be had last week when the Fidelity Club met on Wednesday afternoon at the home of Mrs. Lorine Harline, Los Codona. Ladies gathering for the afternoon were hostess Lorine Harline, Mrs. Hamilton of Lomita, Mrs. Coates, Mrs. Sage, Mrs. Hahn, Mrs. Goetchel, Mrs. Lassen. The ladies began the afternoon with a delicious pot luck luncheon, followed with several rounds of bunco.

Mrs. Bruce Howey, president of the Walteria PTA, was hostess in her home on Winlock Dr. to the PTA presidents of the Torrance Council and the council president, Mrs. Victor Benard of Torrance. Gathering to have a busy meeting over pineapple upside down cake and coffee were: Mrs. John Patrick of Fern Ave. Greenwood School; Mrs. T. C. Smiley of Madrona Ave. School; Mrs. Robert Jackson of North Torrance School; Mrs. Glenn Blais of Perry St. School; Mrs. Raymond Hole of Riviera School; Mrs. H. E. Carr of Torrance Elementary School; Mrs. I. O. Casten of Torrance High School, and Mrs. Huston of Crenshaw. Discussed during the af-

ternoon were welfare problems of the Torrance area and the annual reports which are due in March. Fun-a-plenty was provided when the ladies each brought corsages made of emblems, and seals of the PTA, which were judged for economy and originality as well as beauty. Prize winner was Mrs. Jannsen of Torrance High School PTA for a really lovely weed arrangement with the seals and emblems. The PTA will hold its monthly meeting this afternoon. It is Founders' Day meeting and a fine program is planned.

If there is a knock on the door there is a knock on the door next Saturday, it may be a member of the local MYF, with home-made fudge. The ambitious teenagers have planned a door-to-door fudge sale for this Saturday as part of their fund-raising campaign.

Mr. and Mrs. Gordon Harrison of Riverside were most welcome guests at the home of Mr. and Mrs. R. M. Harrison, Los Codona Ave., on Sunday Jan. 23. Sunday guests of Mr. and Mrs. Ivan R. Kettering, Neese Ave., were Mr. and Mrs. Homer Brown of Long Beach. Miss Geron Kettering also entertained a guest when Miss Mary Burke was her guest over the week-end.

Tonight is the big night. Namely, it is the Mothers March for the March of Dimes campaign. All of us are certainly aware of the toll polio has taken this last year, and also aware of the hopes held for the development of the new vaccine for treatment or prevention of the dread disease. Needless to say, money must come from Mr. and all this takes money and the Mrs. Average American, so why not turn on your light as a signal and dig a little deeper when the mother comes to your door for contributions. Sometimes a little more can mean a great deal more of joy or health.

The John Walkers, who have been visitors in our community for a couple of weeks, left last Sunday to return to their home in Healdsburg in the northern part of the state.
