Gauchos to Seek Easter Sun Tan

By ADRIENNE SIDWELL
Many Narbonne students are planning to start their sun-tanning during Easter vacation. If the weather permits, the beach will really be crowded.

Pat Gilbert was the hostess of another slumber (less?) party last Friday night. Eating, cookies and drowning in soft drinks were Sheryl Ludwig of Banning, Ruth Armes, Lavana and Virginia Connor, Stella Emery and Pat.

Two weeks after Easter (April 15—to be exact) is REPORT CARD DAY!

Man, Oh man, was that a dilly of a practice baseball game we had with Torrance Tuesday. Many Gauchos seen at the game agreed it was a very thrilling contest.

Every Wednesday there is a gymnastic meet in which Narbonne will compete. If you want to see some good gymnasts, the Gauchos are the ones to see. Our muscle men have been showing excellent form in the practice meets. Narbonne travels to Jordan for the first Marine League contest April 8. Victor Martinou is our best all-around gymnast this season. Also Orville Balcom, Johnny Sampson, and Jerry Chapman add considerably to the team's points. They certainly deserve our support.

Narbonne will play host to a potential San Pedro spike team tomorrow. If the Gauchos show the form they displayed last Friday with Jordan, they should give the Pirates some good competition.

The Senior Scholarship Society is planning a reunion party of all life members. Miss Stiff, the club advisor, would greatly appreciate it if you know the address of a life member and would send this information to the Scholarship Society. The date for this reunion has not as yet been set.

Tomorrow night at 7:30 there will be a dance at the Torrance YWCA. The admission will be 75 cents per couple.

Members of the Senior GAA have been invited by the Women's Athletic Association of Harbor Junior College to their playday on April 28. Two tennis teams and one volleyball team have been chosen.

There was a "get-together" party at the home of Lenora Johns last Friday night. From what I hear it was some party. Joy! There was a whole bunch of kids, so just to name a few: Margie Getz, Don Minson, Don Brown, Gall Travers, Harvey Biggins, Stella Emery, Jimmy Williams, Paddy DeVore, Carol Stephens, Don Parks, Janeth Horton, Joy Ninson, Jimmy Gallagher and the hostess, Lenore.

Eagan Goes To Pasadena Branch Bank

Russell Eagan, assistant cashier and second in charge of the Torrance branch of the Bank of America, will leave Torrance to assume a similar position at the Lake-Green Branch of the Bank of America in Pasadena, according to Dean L. Sears, manager of the Torrance branch. Eagan's job here will be taken by John A. Tweedy, formerly assistant cashier at the Pico-Hoover Branch in Los Angeles. Eagan, who has been in Torrance since July, 1950, is a member of the Triple "A" social club, and an active Rotarian. Last year he served as chairman of the Ballot Battalion registration committee, which achieved a high registration of Torrance voters and also a record number of voters at the polls.

Prior to his service here, Eagan majored in finance and accounting at Pasadena Junior College, studied law at Southwestern Law School, and spent four and one-half years as a bank examiner in the Seventh Federal Reserve district in the Midwest.

Tweedy began his banking career as a teller at a Los Angeles branch bank in 1937. After four years, he was made an officer and placed in charge of personnel and interior operations at the Vermont-45th St. branch. He is married and has two sons, Jack, 6, and Mike, 4.

Site Switch Will Double Lomita Police Protection

Proposed relocation of the present Firestone Sheriff's station in Dominguez or Crestone, which is under discussion now would double police protection in the Lomita and Rolling Hills area, the sheriff's department has announced.

The relocation would release a patrol car now operating out of the Lennox Sheriff's station, and this car would then be assigned to the Lomita area.

Two sites are under consideration for the relocated Firestone station. Captain Claude T. Smith of Firestone recommended the switch because a more centralized site is needed to serve the more than 180,000 people who are under the jurisdiction of the Firestone station.

Lawndale Gains New Business Enterprise

The community of Lawndale gained another new business enterprise recently when the South-west Paint and Wallpaper store opened at 16607 S. Hawthorne Blvd.

The store is owned and operated by Wylie Gauthier and Stanley W. Bonner, both familiar figures in the Lawndale area. Bonner, before engaging in his new enterprise, was in the gasoline distribution business in the Downey area, and Gauthier has spent 20 years in and around Lawndale, including 12 years in the painting business.

Annual Chinchilla Show Planned for Sunday

Champion chinchillas from all over the country will participate in the third annual "International Chinchilla Show of Champions," which will be held this Sunday in the City of Veterans Memorial building.

The show is sponsored by the national office of the Chinchilla Association of America at Pasadena, and is open to all chinchilla breeders who have won blue ribbon or higher awards at any recognized chinchilla show.
