

Seasider Struck By Accident, Cuts Arm

By SUE BURK

Mr. and Mrs. Preston Nix have friends visiting from Hoopes, Texas this week. We hope Mr. and Mrs. A. G. Bickham enjoy their stay here and fall in love with our beautiful California weather. Welcome to Californian folks, we just know you will like our city.

Sorry for Mrs. Merle Holstin as she is feeling pretty low these past few days. Do hope you feel better soon, Merle, and prayers for a speedy recovery.

Deeply and truly sorry to report that a good friend and neighbor was seriously injured by a swing saw at the fencing company where he is employed. Bob Ledwidge of Macatee Road was taken to South Bay Emergency Hospital where tourniquets were applied to stop the flow of blood, due to a nasty cut on the right hand and forearm. From South Bay Emergency he was rushed to the Santa Fe Hospital in East Los Angeles (Hollbeck district). Doctors say that he may be able to retain 75 per cent use of his hand and arm.

A huge re-welcome to Bill and Helen Conklin of 5335 Doris Way, who have decided that Seaside is the best place to live after all. The Conklins have moved back here from Culver City where they lived for the past year.

The cub scouts of Seaside will have their monthly meeting at El Retiro Park on Friday, April 17th. Cubmaster Dick Nauman said to tell everyone that you do not have to have a boy in the scouts to be able to attend these meetings. The meeting will be at 7:30 p.m. and will last about an hour and a half. So go on down to the park and see just what is going on in the scout world.

Leaving the Heights soon will be Mr. and Mrs. Bill McMellon of Zakon Road. They say they

will be leaving us after the first of next month. We feel sad because Bill and Tillie were wonderful and hard working neighbors during their stay here. Good luck to you kids, wherever you go.

Since there has been so much sorrow in my column this week I would like to take this space to tell of the good news up on Doris Way. In the Brady home everyone is happy; the little daughter, Carol, is finally getting better after an illness of two years. The doctor at Children's Hospital thinks that Carol may be able to discontinue her medicine some time in the near future. Mrs. Brady wishes me to express her thanks to all those who have been so helpful in the past and thanks especially go to school teacher Jean Gellerman, who was so good in helping little Carol in her kindergarten class. May God's blessings continue to bring the Brady family happiness.

If a Red Cross bloodmobile could be brought into the Seaside area with a car to pick up and take home each donor, I wonder just how many pints of blood we could give to a wounded soldier? If you will just call Fr. 5-4549 and tell me that you can donate a pint of blood, I promise that if there are enough of you I will do my very best to make arrangements to have the bloodmobile visit our section. I know so many of us cannot get away for very long periods at a time, but if a bank is right close to our own homes—how about it?

El Camino Sets Open House Fete

An Open House during the afternoon of Friday, May 1, will highlight observance of Public Schools Week at El Camino College, President Forrest G. Murock announced this week.

"El Camino College, being a new institution, has no old, ivy-covered traditions, but we have some new ones that are alive and prospering," the president said. "One of these is a new tradition started by the Masonic lodges in our district, and its response was very gratifying. This year we are inviting the public to join with the Masonic lodges and the colleges in observing Public Schools Week," he added. "We will have an Open House commencing at 3 p.m. and culminating with a dinner in our new Campus Center at 6:30 p.m."

All residents of the El Camino College district were invited by Murock to attend the Open House and stay for the evening meal. Cost of the cafeteria style dinner will be \$1.60, and tickets may be obtained from the college office. Instructors of the college and members of several local Masonic lodges also will attend the dinner.
