

Stork Kept Busy In Walteria Area

By BETTY MITCHELL

Lomita 3835-W
 Talk about being busy, that was the word for the stork in our community this last week when he paid several visits to the members of our town. On April 9 he left a bundle containing one baby girl, weight 6 lbs. 6 ounces, for Mr. and Mrs. Eldon L. Nobles, Raintree St. Little Susan Lynn is their first child. She arrived at the San Pedro Community Hospital. Proud grandparents are Mrs. H. H. Wilson of San Pedro, and Mrs. W. W. Christopher of Wichita, Kansas, the maternal grandmother.

Another present from the stork was left for Mr. and Mrs. Roy A. Roche of Primm Way. This one arrived on April 12 at the San Pedro Community Hospital. This little girl was christened Robin, and weighed a husky 7 pounds 13 1/2 ounces. Robin has two brothers at home, Dan, age 4 1/2, and Roy, age 3. Grandparents are Mr. and Mrs. Charles Heatley of Palmerton, Pennsylvania, and Mrs. Ethel Roche of Escalon, California.

Mr. Stork also paid a visit to Mr. and Mrs. Earl Gipe, who now live in Lomita, at 24906 Cypress Ave. Proud maternal grandparents are Mr. and Mrs. E. V. Crovella of Park St. here in Walteria. The new arrival was a bouncing boy weighing seven pounds seven ounces. He was named Dale Franklin and is the first child for the couple. He was born the 16th of April. Paternal grandparents are Mr. and Mrs. Frank Gipe of Comita. Mother is the former Clara Crovella. Congratulations to one and all of these parents.

Having a wonderful time on wheels were Girl Scout troops number 92 and 971 who went roller skating together last weekend. There were more than 24 girls there under the supervision of leaders, Mrs. William J. Manner and Mrs. Jane Wrigley. The girls went to the rink in Redondo Beach. Next weekend, troop number 92 is planning a horseback ride at the Santa Anita Riding Academy. Have a good time at it!

Arch Martin of Texas and Mr. Arvin Martin of Napa have been guests of the Donica family on Los Codos ave. the past week. They have been enjoying a visit to various points of interest during their stay here.

Also a visitor in our community is Mrs. Walters from Hanley. She is visiting with Lucille Corey of Hawthorne Blvd. Mrs. Walters is mother of Mrs. William C. Corey, who is living near San Diego at the present time, although she is well known here in Walteria.

Speaking of the Coreys, their son Kent celebrated his fifth birthday last Saturday with a fun-filled party to which a number of neighborhood children came to wish him the best ever. They all had party favors, and paper hats, finishing off with ice cream and cake. Congratulations on your fifth year, Kent!

Our sincerest sympathies this week go to Mrs. Dorothea O'Brien of Hawthorne Blvd. upon the loss of her brother, William Kent of Venice. Mr. Kent was a victim of cancer. Mrs. O'Brien, as most of you know, is the leader of the cancer center established here in Walteria and is working very hard to make the present drive for funds a success.

Speaking of the cancer fund, a big dance will be held at the Riviera Club on April 30 for a benefit for this cause. Under the sponsorship of the Riviera unit, there will be a wonderful time in store for all of those who wish to attend. Tickets are now out, but admission can also be obtained that night right at the door. Admission is one dollar. On the program for the evening will be several celebrities, including Ethel Barrymore, Rosemary DeCamp, and Jules Strongbow. Members of this community are welcome to attend, so don't miss it!

Congratulations are in order for Mrs. Bruce Howey, of Winlock Dr., who was elected last week to office of third vice-president of the PTA Council at their meeting on Tuesday afternoon, April 14. Mrs. Howey is the president of the PTA in Walteria.

House guests at the home of Mrs. Dorothea O'Brien of Hawthorne Blvd. are Mr. and Mrs. Earl Kent of Vancouver, Wash.

On the convalescent list this week is Frank Carpenter who is recovering at the Torrance Memorial Hospital following surgery. Here's extending our best get-well wishes to him.

By the way, have you noticed the pile of junk collecting on the vacant lot on Hawthorne Blvd.? This project is under the spon-

ship of the Walteria Business Men's Club and is just one of the ways being used to sponsor summer trips for our young people here in the community. If you have some sort of junk in the metal line, why not take it there and help make it grow?

A moving bee was organized last week-end for the Rev. and

Mrs. Gene Gehres and family when they moved into their new home, the recently purchased parsonage for the Walteria Methodist Community Church. They are now comfortably settled in their new home which is on the street running right by the Recreation park.

Sunday dinner guests at the home of Mrs. Margaret Dowd, Neece Ave. were Mr. and Mrs. Alan Stark and daughter Sandy. The Starks are from Baldwin Park.

Mr. and Mrs. Bert Mosley, of Ward St., were guests last Sunday at the Long Beach home of Mr. and Mrs. E. H. Miller.

Endless Despair Named as Topic Of Sunday Talk

"Endless Despair," a discussion of some popular misconceptions of sin and punishment, will be the message of Rev. Andrew Duty at today's 11 a.m. worship of the First Fundamental Baptist Church of Walteria, Park at Newton Street.

The choir will sing "Wonderful Grace of Jesus." Mr. Duty's evening sermon at 7:30 will be "The Church in Pergamos"—this is one of a new series of lectures from the book of Revelation. The mid-week prayer service is conducted at the church Thursday, 7:30 p.m.

The Crusaders' Club of Teen-age boys will have its regular weekly meeting at 7:30 Monday. The Teen-Agers' Girls club will meet Wednesday at the parsonage after school.

Miss Carol Dee Campbell, daughter of Mr. and Mrs. S. K. Campbell of 2076 Santa Fe Avenue, has been awarded a one-half tuition scholarship to Pepperdine College in Los Angeles.

cash value of \$225. It was granted in recognition of her skill in music and her general scholastic record in high school. Pepperdine College annually awards approximately \$75,000 in scholarship aid to worthy students throughout the United States.

223rd Street Sanitary Sewers Completed Soon

Construction of sanitary sewers in 223rd Street, extending from Meyler Street on the east to Normandie Avenue on the west, in the vicinity of Torrance will be completed by July 1, 1953, it was announced by Supervisor Burton W. Chace. The county official stated the work is costing \$8,210 and is being done under the supervision of County Engineer, William J. Fox. The job was started April 17th.
