Carelessness Called Biggest Traffic Threat

"Carelessness is probably the greatest single threat to human life in traffic during the holiday season."

This was the reply of California Highway Patrol Commissioner B. R. Caldwell this week when asked to comment on the major contributing factors in holiday traffic tragedies.

"Statistics show," he continued, "that excessive speed, violations of right-of-way, and driving on the wrong side of the street are the three offenses that most often cause death in traffic crashes.

"The danger is always magnified when the violating motorist has been drinking and the problem of drinking drivers is always worse at the holiday season. There is no valid reason for driving after drinking," Caldwell reminded.

"The speed of a vehicle is an accident-causing factor that can be controlled by the driver and any accident resulting from a right-of-way violation or from driving on the wrong side of the road could be avoided by proper driver actions," he said.

"When you review these accident causes, they all point directly to the underlying problem of carelessness. Too much hurry, too full a schedule, too many last-minute chores, too much celebrating, all contribute to this carelessness. Enjoy your Christmas preparations but take time to be careful. We don't want death to take your holiday," Caldwell emphasized.

Airman Reserve Status Clarified

Air Force reservists throughout Southern California who are and have been under the impression that they must be "Ready Reservists" before they can participate for pay purposes received a clarification to the contrary recently.

In a recent announcement, Major General Alfred A. Kessler Jr., commander of 4th Air Force with headquarters at Hamilton Air Force Base, Calif., stressed the point that all Air Force Reservists holding assignments to Air Force Reserve Combat, Combat Support, Flying Training Wings or Air Force Reserve Specialist Training Units are not required to hold "Ready Reserve" status and may be either Ready or Standby Reserves.

Demo Assembly Candidate Named

Allen K. Jonas, young Westchester businessman, was elected by representatives of the 46th Assembly District Democratic organization to be the party's candidate for election to the Assembly next spring.

A resident of Manhattan Beach, Jonas will oppose incumbent Charles E. Chapel, who has signified that he will seek re-election to the post.

The 46th district includes the beach areas of Torrance.

CPAs Hear LA Attorney

Atty. Richard H. MacCracken of Los Angeles addressed the Long Beach Chapter of Certified Public Accountants at the group's monthly meeting yesterday in Long Beach.

MacCracken, a CPA as well as an attorney, spoke on the subject, "Pension and Profit Sharing Plans for Small Businesses."

MacCracken has lectured and written extensively on tax subjects and is on the faculty at UCLA. He addressed the recent tax conference held on the USC campus.

The Long Beach chapter includes Torrance CPAs in its membership.

COUNTY IMPROVEMENT NO. 1526
FOR THE CONSTRUCTION OF SANITARY SEWERS
IN
VERMONT AVENUE
AND OTHER RIGHTS OF WAY
RESOLUTION OF INTENTION

WHEREAS, the Board of Supervisors of the County of Los Angeles, State of California, has on file and spread upon the minutes of the Board a report from the Health Officer of the County recommending the institution of proceedings for the improvement as a health measure, and

WHEREAS, the Board has found and determined by resolution that the public interest requires the construction of sanitary sewers in VERMONT AVENUE and other rights of way and that the improvement is necessary as a health measure.

NOW, THEREFORE, THE BOARD RESOLVES:

SECTION 1.

That the public interest and necessity require and that it is the intention of the Board to order the following work to be done and improvement made, to-wit:

First: The construction of sanitary sewers and appurtenances in CARSON STREET, 232ND STREET AND OCEAN STREET in the intersections thereof with VERMONT AVENUE; and in 220TH STREET between the centerline of VERMONT AVENUE and a line parallel with and approximately 85 feet tortuously measured at right angles, from the easterly line of Lot 16, Tract No. 3239, as shown on map recorded in Book 37, Pages 27 and 28 of Maps; and in VERMONT AVENUE between the centerline of CARSON STREET and the southerly line of OCEAN STREET (46.5 feet wide); and in THE SANITARY SEWER RIGHTS OF WAY along the easterly lines of Lots 28 and 29, the northerly 152.5 feet of Lot 35 abovementioned Tract No. 3239; and in THE SANITARY SEWER RIGHTS OF WAY along the easterly line of and in Lot 48, abovementioned Tract No. 3239.

Second: The resurfacing of the trench in the streets and rights of way wherein aforementioned sanitary sewers are constructed.

All of said work shall be performed in the streets and rights of way and between the limits hereinbefore designated except where the plans indicate that said work shall be omitted.

THAT SUCH WORK OR IMPROVEMENT IT IS ESTIMATED, WILL COST THE SUM OF FORTY-FIVE THOUSAND ONE HUNDRED DOLLARS ($45,100.00).

SECTION 2.

That all the work and improvements aforesaid shall be done and performed as shown on and in accordance with and to the grades shown on the plans, profiles and specifications therefor, filed in the office of the Board of Supervisors in the Hall of Records in the City of Los Angeles on the 24th day of November, 1953. Reference is hereby made to said plans, profiles and specifications for a full and detailed description of said proposed work or improvement, and said plans, profiles and specifications shall govern for all details of the proposed work or improvement and for the description of the grade to which this work is to be done, and are made a part hereof.

SECTION 3.

That the said contemplated work or improvement, in the opinion of the Board, is of more than ordinary public benefit, and the Board hereby makes the expense of the work or improvement chargeable upon a district, which district the Board hereby declares to be the district benefitted by the work or improvement and be assessed to pay the cost and expense thereof.

A map of the district indicating by a boundary line the extent of the territory included in the proposed district approved by the Board on the 24th day of November, 1953, is on file in the office of the Board. Reference is hereby made to the map for a full and complete description of the assessment district and the map shall govern for all details as to the extent of the assessment district.

SECTION 4.

That serial bonds shall be issued in accordance with Division 7, Streets and Highways Code, to represent each assessment of twenty-five dollars ($25.00) or more remaining unpaid for thirty (30) days after the date of the recording of the warrant. The serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next October fifteenth following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year after the next October fifteenth following their date, until the whole is said, and the interest shall be payable semiannually, by coupon, on the second days of January and July, respectively, of each year following the date of the bonds, at the rate of six per cent per annum on all sums unpaid, until the whole of the principal and interest is paid.

SECTION 5.

That the proceedings for the aforesaid work or improvement shall be under and in accordance with Division 7, Streets and Highways Code, and County Ordinance No. 4348 (New Series) providing that all payments upon the assessment within 30 days from the recordation thereof shall be made to the County Surveyor.

SECTION 6.

The Streets hereinbefore referred to are public streets in the County of Los Angeles, and are located in unincorporated territory in the vicinity of Torrance.

SECTION 7.

That it is the opinion of the Board that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

SECTION 8.

That Thursday the 7th day of January, 1954, at the hour of ten o'clock A.M. of said day, is the day and hour and the Chambers of the Board in the Hall of Records, in the City of Los Angeles, is the place fixed by the Board when and where any and all persons having any objections to the proposed work or improvement or to the extent of the district to be assessed, or to the proposed grade to which the work is to be done, or to any or all of the foregoing, may appear before the Board and show cause why the proposed work or improvement should not be carried out in accordance with this Resolution.

SECTION 9.

That the County Surveyor shall cause to be conspicuously posted along the line of the contemplated work or improvement and along all open streets within the district liable to be assessed notices of the adoption of this Resolution in the manner and in the form required by law.

SECTION 10.

The clerk of the Board shall certify to the adoption of this Resolution and shall cause the same to be published for two days in the Torrance Herald, a newspaper published and circulated in the County of Los Angeles, which is hereby designated for that purpose by the Board.

The Board does hereby direct the Clerk thereof to mail notices of the adoption of this Resolution and direction to all persons owning real property proposed to be assessed for the work herein described whose names and addresses appear on the last equalized assessment roll of the County of Los Angeles or as known to the Clerk, the contents of said notices to be as required by law.

The foregoing resolution was on the 24th day of November, 1953, adopted by the Board of Supervisors of the County of Los Angeles, State of California.
