Community Urged to Help in Christmas Basket Program

Chuck Herren, chairman of the Junior Chamber of Commerce Christmas basket project, this week urged the entire community to take part in the program in order to bring together those who have and those who need.

Herren stated "An endeavor of this type takes the cooperation of the entire community. In order to bring together those who wish to give and those who need we must have the names of both. If you know of anyone who is deserving of a basket, let us know his name, address, and how many people are in the family."

Yule Mailing Rush Due Soon Postmaster Says

The days before Christmas are going by much faster than the mail is coming in, according to Postmaster Clara A. Conner.

"I've already noticed a considerable increase in Christmas card sending," she reported today. "But parcel post is lagging behind. Actually, it should be the other way around."

All gift packages for distant states should already be in the mail, and those for nearby points no later than today. Christmas cards require less time to cover the same distance. They should be posted by Dec. 15 for out-of-town delivery, and at least a week before Christmas for local addresses.

Postmaster Conner points out that unless these mailing dates are observed, there's a danger of incoming mail slowing up the outgoing operation. Commercial shipments are another hazard that may prevent delivery before Dec. 25.

"Finish mailing those Christmas gifts right away. The sooner the better. And remember, at this time of year, every package should be wrapped as securely as if it were going overseas," she asks.

"Then walk over to a stamp window and buy the extra stamps you'll need for Christmas cards. Pick up a few air mail and special delivery stamps, in case you forget someone at the last minute. Come in before 10 a.m. or between 1:30 and 3:30 p.m., if you can, and avoid the big lunch-hour crowd."

South Bay Sermon Topics Announced

"Are You Underweight?" will be the topic of the sermon to be delivered by the Rev. George F. Cain, pastor, at the 11 a.m. Sunday service of the South Bay Baptist Church, in the Recreation Building at El Retiro Park.

At the 7:30 evening service, the Rev. Cain will speak on "The Parable of the 10 Virgins."

The Millie Kreps and Elton Bowman circles will hold a joint meeting Tuesday at 7:30 p.m. in the home of Mrs. Mildred Pearsey, 4920 Sepulveda Blvd. It was announced by church spokesmen.
