

## Yule Recreation Program To Open Saturday With Boys' Cage League

A boys' basketball league will begin on Saturday in the Torrance High School gym and will run Monday through Saturday from 10 a.m. to 4 p.m. as part of the Recreation Department's Christmas Recreation program, Harry recreation director, announced at the TEAC meeting.

No girls recreation program will be undertaken because of lack of participation, Van Bellehem said. The Perry Elementary School recreation program will be open to all young people from 10 a.m. to 4 p.m. Monday through Saturdays during Christmas vacation, the Recreation director stated.

There will be two men on the school grounds to supervise the program. The school grounds, and the high school gym, will not be open on Christmas or New Year's days.

Because of limited funds, the Recreation Department will not be able to operate a recreation program on any school grounds besides the Perry School for a while, but more funds are expected next year, Van Bellehem said.

The Recreation director expressed deep appreciation for the "excellent cooperation" that the Department has received from the Torrance Unified School District in establishing the recreation program.

## Material Stolen From Church Building Site

Someone took six rolls of stucco wire, 12 rolls of felt paper, and three rolls of tie wire from the site of the new Christian Church at 2930 Eldorado last week, it was reported to Torrance police. Value of the stolen items was placed at \$125.

## Snipe Season To End

California's first snipe hunting season since 1941 comes to an end at sunset Tuesday, Dec. 22, the Department of Fish and Game advises. Hunters may possess snipes for no longer than 90 days after the close of the season.
