Is selling out his entire stock of used cars. We have burned up the inventory so we can't see what these cars cost us when we take the losses necessary to turn them into cash NOW.

We have over 50 of the finest and best renovated cars in all the South Bay area and we own the pink slips on them but we can't pay pay rolls with pink slips. We must turn them into cash NOW.

This stock of cars includes 1953 Fords, 1953 Chevrolets, 1953 MG's, 1953 Hillmans, 1953 Buick Super Convertible, 1952 Buick Riviera Hard top, Olds 88 Rocket, Mercury station wagon, Chevy club coupe with 4 door, De Soto Convertibles and 4 door and many, many others including Studebakers from 1947 to 1953 models. If you want a great car and a bargain come in now and select one. Our salesman will tell you what we would like to get, but you tell us what you'll pay and how you'll pay it.

We'll sell them on time on liberal payments with a minimum of cash down at bank interest.

Come on in NOW while the selection is complete. These cars will positively be liquidated this month even if we have to wholesale them to dealers and let them make a substantial profit on you. So don't delay. ACT NOW!

Here's a 2-door that has a 2-tone color combination that's completely different and one that we think you'll like. Excellent upholstery, tires, fog lights, radio, heater. Not just another 1948—this one is outstanding because mechanically everything works—and in appearance, it's as you want it, too—sharp. Easy GMAC terms.
