## **Chace To Open County Office Here Tomorrow**

An office to serve the Torrance area will be opened tomorrow by County Supervisor Burton W. Chace in the Torrance City Hall, the supervisor announced this, week.

Chace said the office will be open each Friday morning from 9:30 to noon and will be staffed by Richard L. Newton, field deputy for the supervisor.

"I feel that the tremendous growth of the Torrance area," Chace said, "makes it imperative that an office be opened here at this time to enable the people to contact their county representative without having to travel great distances to Los Angeles."

The spening of the office is in line with Chace's previously announced policy "to bring government to the people and not necessarily people to government."
