**GIVES BLOOD . . .** Nurse Loretta Stronks attends Columbia Steel employee Max Coast, of 1639 219th St., who donated a pint of life-giving fluid in a Red Cross blood drive for employees of Columbia Steel, Pacific Electric Railways, and American Legion members. The drive was held Friday at the American Legion Hall and Columbia employees topped the list of contributors with 88 pints, PE was next with 15, and the American Legion donated three. Altogether, 106 pints were donated and four rejected.

**COFFEE TIME . . .** Columbia Steel Employee John Berry, of 906 253rd St., takes a cup of coffee from nurse Millie West after donating a pint of blood Friday. The blood drive collected 102 pints and was short of its 150-pint goal. The next drive will be held Feb. 8 in the Torrance Civic Auditorium from 3 to 7:30 p.m.

**A PLEA . . .** "Please return your March of Dimes coin card well filled with dimes and dollars" is the message being broadcast throughout the Los Angeles county area this week by Sheriff Eugene Biscanuz, Los Angeles March of Dimes chairman, and Clara Conner, postmaster, local chairman.

**RETIRING FROM DAIRY . . .** Henry Van Cins, guest of honor at an Inglewood Farms dinner-dance Friday night, is shown receiving a gold watch from William Cook (left), retail sales manager of the dairy, as a parting gift from fellow workers' on his retirement. Van Cins is retiring after 22 years as a route salesman. During that time he delivered milk to thousands of homes in Inglewood, Torrance, Redondo, and neighboring cities.

# ZENITH CINÉBEAM TV

## PICTURE TUBE

**GIANT SCREEN LIVE ACTION**

**TWICE THE PICTURE POWER!**

The inside face of Cinebeam picture tube is coated with silver activated phosphors. These are sealed in for-life by millions upon millions of tiny torch-proof metallic particles which are set as mirrors. These mirrors reflect all of the electronic light out through the face of the picture tube—spots can remain inside. This doubles the picture power.

**"Archer"—27 inch—TV console.**  
Aflora wood solids and veneers. Brass knobs on the full length doors. Casters. Built-in UHF-VHF antenna. Both tone and screen register controls. High fidelity speaker. Spotlight Dial.

**\$745<sup>00</sup>**

**NO BETTER MATERIAL—**

Plaster and Lath wall and ceiling construction has always been synonymous with quality and durability. It has been the best for more than 5,000 years — It has never been replaced by an adequate substitute.

**"Gibson"—24 inch—320 sq. in.**  
Select mahogany veneers, with hand-rubbed top and frame-door panels. Slip matched mahogany in finely grained finish. Built-in UHF-VHF antenna. High fidelity Zenith speaker.

**\$595<sup>00</sup>**

**PICTURES JUST LIKE THE MOVIES!**

For years to come the entire family will enjoy cinema-perfect pictures reflected from a silver screen just like of the movies.
