

1954 TORRANCE BUSINESS REVIEW 1954

Twenty-one years experience have given Kenny Ruffell high skill in the rebuilding and repairing of shoes. He started in a neighborhood shop on Carson Street and gradually improved the facilities until he opened a fine modern shop at 1278 Sartori, called Kenny's Shoe Rebuilding. He now has the latest and finest shoe repair machinery and tools. Mr. Ruffell is very active in the First Baptist Church.

George E. Sherman is vice-president and general manager of Warren Southwest, Inc., owners of the above asphalt paving plant which can produce 1000 tons of asphalt mixture per day. The company has been in the paving business continuously since 1900. It has the technical knowledge, skilled personnel, equipment and contacts to give you the best in asphalt paving. They are located at 20934 So. Normandie Ave. and the phone is FA. 8-3185.

Lawrence A. Paffy and John C. Piekham opened the Westerner, Western Ave. at Torrance Blvd. August 14, 1952, having previously operated a restaurant in Texarkana, Ark. They feature chicken served in a basket, with French fries, salad and toasted bun. You will enjoy their delicious fried shrimp served in the friendly atmosphere of their beautiful, modern building.

The job to fit the person and the person to fit the job is the slogan of the Torrance Personnel Agency, 1028 Gramercy Ave., next to Currie's, owned by Norma Tillman who has been at this location since 1952. Mrs. Tillman has been very successful in placing applicants in satisfactory jobs and is equally successful in filling available jobs with competent and reliable employes.
