

Carson Pair Enter Famous Dogs in Show

By GWEN BARKAN

such a busy month, what with St. Valentine shooting his residents being born, the arrows around again. Well, it's been February and groundhog seeing his shadow. And speaking of birthdays,

we've had some right here. Lois Balsey, 617 W. 214th, was 21 again, (!) and Vicky Kay Horton and Kelsey Marie Barken were both seven. The two little girls celebrated their happy days with parties, and were both promoted to the second grade. However, they tell me they can't tell the difference because they still have the same teacher!

Mrs. J. Aronoff, 629 W. 214th, and Mrs. Nina Talbot will leave bright and early Monday morning for Phoenix and the Kennel Club Show there. They have chosen some rather famous canine traveling companions, who will take part in the show. Mrs. Aronoff will be showing her two afghans, "Duchess of Sinai," and "Kuta Raja of Mikal." These dogs answer to "Daisy" and "Raja." Raja is a seven-month-old puppy and the son of a very famous father, "Champion Trejon of Crown Crest." He has won 14 "Best of Shows," more than any other afghan in the United States. Mrs. Talbot is showing three Chihuahuas, among them "Pranda," who is a champion and will participate in the Chihuahua specialty and the parade of champions on the fifth in Phoenix. The dogs will also be showing in the Tucson Kennel Club show on the sixth and seventh. We certainly hope they all come home covered with ribbons and cups!

The PTAs have kept busy, what with "Founders Day" nominating committee and honorary Life Membership awards. Mrs. Ruth Justice, who really teaches the sixth grade at Carson St., was honored with the Carson St. PTA "Honorary Life Membership" this year, much to the delight of everyone. Mrs. Justice has been a PTA president herself, and makes a wonderful teacher now. This award was made on Feb. 17 at the regular meeting which honored five past presidents and one past principal. PTA members presented an amusing version of "Dragnet" and a very lovely "Founders Day" cake was cut.

Congratulations are certainly due to the children of Carson St. School for their conduct during the vaccinations the other day. Not one tear was shed, and some of the children were even "g" classmates for "front-sies!"

She's taking no chances!

I'm a bargain hunter....but I watch my step when I buy—

DRY CLEANING

SHE'S perfectly right! A SO-called "bargain" "DRY CLEANING" is almost never a bargain... She has a sense of values in all things. She knows the importance of good clothes—and of good care for good clothes. She knows that "bargain cleaning" is false economy and that good cleaning is a sound investment. She knows about US. And we know about her—for she typifies our customers.
