That's a good question, and we have the answer. State Farm Mutual Automobile Insurance strives to insure only careful drivers. Careful drivers have fewer accidents. You pay the selling cost only once—that's the kind of insurance State Farm is famous for. So it costs State Farm less to do business, and because State Farm is a mutual company, the policy-holders get the savings. If you don't have this low cost, dependable car insurance, call FA 8-3803 or FA 8-3804 and let your State Farm agent show you how you can get complete protection—at low cost!
