All-Lites of Seaside Tax Return Filed? Only 4 Days Left By SUE BURK FR 5-4549 Troubles, troubles, troubles. Seems so very many are in a hectic state of mind these last couple of weeks. You know why? Well, it is a very close spot until income tax returns are filed. Not too many days left now, so I hope this is a reminder to maybe a few who have forgotten. Many of you will be pleased to know that Emmett Ryckman is home again from the hospital, and is out of danger. Emmet and Grace returned to Edwards Air Base during this last week. Something we hate to see, but it's there. A For Sale sign on the Richard Grierson lawn. The Griersons have lived here for several years and a lot of us are going to miss them when they sell. A quiet day and evening at home turned into a regular celebration this past week when Vicki Sharp celebrated her birthday and anniversary at home. Close friends learning of this special day dropped in on the Sharps at all times during the day and Vicki was loaded with beautiful presents to suit the occasion. Happy birthday and happy anniversary, Vicki and Jay. Received a call from Helen Amos, a fellow columnist, who writes "Around the Garden and

Plaza." Seems that Helen and a group of girls are starting a Bowling Club to start in about three weeks. The time is set for 9 p.m. at the Hawthorne Bowling Center on Friday nights. Anyone interested in bowling may contact Helen at FAirfax 8-1886. Good luck on your new venture, Helen. An official welcome goes out to Mr. and Mrs. Bob Mills, of 6152 Zakon Rd. Bob and Ruth moved into their new residence in January of this year. They have three children: Douglas, Randy, and Russell. Welcome to Seaside, kids. Lots of re-decorating around this area for the past few weeks. Doing interior decorating are these families: Mr. and Mrs. John W. Whyte, of the Ranchos; Mr. and Mrs. Jack S. Mitchell, Mr. and Mrs. B. F. Renz, and Mr. and Mrs. Richard Grierson, all of the Heights. The Alex Bellehumeurs of Macafee Rd. have been very busy both inside and out of their home. Alex and Dorothy are building on a spare room and their flagstone patio is looking very sharp. Sorry though, to hear that Dorothy isn't feeling well. She left her job this last Wednesday with a nervous condition brought on from worry. As you already know, Dorothy's father is quite ill and Dorothy thinks all the world of her dear Murray and get well, Dorothy, and the very best of luck towards your dad's health. Lance Mearing, whom we had thought of as danger, has suffered an attack of bronchial pneumonia and is in the hospital again. He is in Hollywood, and Mrs. Mearing says she hopes to have him home some time this week. Hoping that you are home again by the time this breaks into print, so do hurry now and get well, Scout. Sickness in the home of Mr. and Mrs. Hal Muldoon of Sharynne Lane. Just over a case of chicken pox, the children and even Hal are suffering from bad colds and strep throat. Best of luck to the family and good health to Mildred, who has certainly had her hands full this past month. More illness in the home of Mr. and Mrs. Al McKenny of 5148 Zakon Rd. Recovering now from a case of chicken pox are Leanne, Bill, Alan, and Craig. Mr. McKenny is home from a trip through Detroit, Youngstown, and Pittsburgh. Al is field representative for the North American Aircraft Co. Another glittery occasion on Zakon Rd. this week. Guest served cherry pie with whipped cream and coffee in the home of Mr. and Mrs. F. W. Burk. Mrs. Agnes Wilshire, Mrs. Merle Holstin, Mrs. Barbara Clark, Mrs. Atha Milson, Mrs. Virginia Poor, Mrs. Fran Dodge, Mrs. Madge Graham, and Mrs. Dorothy Wama. Best wishes to Mr. and Mrs. Richard D. Dodge and baby son, Robbie. All three have been quite ill with a case of flu. The Dodges are recently here from Gloucester, Mass. Sending out a big welcome to a very nice couple who moved into the 5343 Rindewald address along about December. They are Mr. and Mrs. Francis G. Lupien from Chicago, Ill. Their reason for moving to California belongs to their daughter, Mrs. Kenneth Moe of Warmside. Credit also goes to the beautiful granddaughter, Terri. Retired now, Frank was a piano tuner and a life insurance salesman. Olga was and still is very good at dressmaking. Frank states that his interest is in piano tuning and that he will be happy to do the work for anyone in need of a good tuner. As a last-minute reminder: Don't forget that income tax return filled out. Only a couple or three more days to get them in. See you next week. Unification of City Object of New Group In the first major step toward the unification of Torrance, called for by Chamber of Commerce President Paul Loranger in his acceptance speech in Jan. 24, representatives of Torrance civic groups met Tuesday at the YMCA to form a "Community Coordinating Council" to work for mutual cooperation in solving community problems. Walter Metz, representing the North Torrance Civic Improvement Association, was elected temporary chairman of the group. Those in attendance voted to contact all other agencies and groups in the city so that each may have a representative on the Council. Next Meeting Set Next meeting of the group has been set for Tuesday, March 30 at 8 p.m. at the YMCA, according to Patricia Elliott, of 1818 Calamar St., group organizer. In his acceptance speech at the Chamber of Commerce Installation Banquet on Jan. 28, President Loranger stated: "The greatest need in Torrance is of the disconnected areas and tracts of the city should be coordinated into a 'Unified Greater Torrance,' and asked all civic groups, clubs and organizations to help. Represented at the Tuesday meeting were the Chamber of Commerce, the Council of PTAs, Torrance High School, the Women's Club, Police and Recreation Departments, the Ministers Association, YMCA and YWCA, the Lions Club, and church groups. It is hoped that all groups will attend his meeting.

Plans to Improve Torrance Blvd. Told Motorists throughout the Torrance area are due for some more major road improvements as the money becomes available, it was announced yesterday by John Patrick, assistant to the City Engineer. Patrick said Crenshaw Blvd. between Carson St. and Sepulveda Blvd. would be resurfaced, and that Torrance Blvd. would be overhauled for its entire length from Crenshaw to the western city limits as soon as money was made available. To be completed late this summer is 174th St. between Inglewood Ave. and Normandie. The state highway will be a four-lane thoroughfare with center dividing strip, and will offer relief for traffic congestions on east-west roads in the North Torrance area. When finally completed, the 174th St. highway will connect with the Artesia parkway for a through artery into Orange County. Work on another section of the highway between Normandie and Alameda is slated to start this summer. Also on the docket is the completion of Crenshaw Blvd. south of Pacific Coast Hwy. The roadway has been graded, but still needs surfacing. In the planning and right-of-way buying stage is the Sepulveda Freeway, which will slice through North Torrance east of Prairie Ave. The first section of this freeway in West Los Angeles was started last year. No immediate work is expected in Torrance. Recently completed was the resurfacing and regrading of Sepulveda Blvd. between Arlington and Hawthorne. The section from Crenshaw to Hawthorne was widened, regraded, and surfaced. The Arlington-Crenshaw section is being resurfaced. Now being regraded and surfaced by city crews are Maple Ave. between Carson St. and Eldorado, and Flower, between Sonoma and Monterey, Patrick said.
