Play Program To Begin At Park Monday

Children on half-day sessions will be provided with a recreation program at McMaster Park from 12 noon to 9 p.m. Monday through Friday, the Torrance Recreation Department announced this week. The program, which will be under the direction of Les Breitenfel, will begin Monday. Parents are asked not to send preschool, kindergarten or first graders to the area alone, however, because there will not be sufficient supervision for them at the present time. Sports and crafts will form the basis for the program, Breitenfel stated, and he urged parents who would like to help, or who have a special hobby they could teach the children to contact him. The Recreation Director will ask for volunteer help from adults in the North Torrance area. A program of scheduled activities will be established after the desires of the children and adults have been sounded.
