

# Stomach Pump Ends Tot's Aspirin Jag

By ADALINE COETZ  
ME 610 4-6876

Two and one-half-year-old Paullette Watson, 17511 Glenburn Ave., was rushed to her doctor this week after taking a bottle full of aspirin. Having her stomach pumped wasn't exactly a picnic, but she's feeling chipper as ever now!

borz gardens... Late again! We had even joined a garden club hoping that would keep us posted, but when we're all excited about chrysanthemums how can we concentrate on daffodils... and when we can think of nothing but tulips, is it possible to worry about dahlias? The problems confronting us!

and will have continuous performances from 11 a.m. until 3 p.m. Mrs. Walter Buffington is in charge of the project and she advises us that admission will be 25 cents for the big top and nine cents for the menagerie. There will also be hot dogs, candy, cake, popcorn, and soda pop. North Torrance Elementary P.T.A. needs your cooperation to make their budget... get behind this!

Gifts included crystal service for 12 besides many serving pieces in the same pattern; a Sunbeam Coffeemaker, a lazy Susan, linen cloths, cooking ware, a lamp, and many, many more things.

Spring is here and as usual we didn't think to plant daffodils and tulips until we saw their lovely heads bobbing in neigh-

borz gardens... Late again! Another sure sign of spring is the circus coming to town! The big show is sponsored by North Torrance Elementary P.T.A.

We hear Lawrence Welk sent Martha Sherwood Flowers during her recent sojourn at Hawthorne Hospital! He sent her a planter shaped like an accordion filled with Cecil Brunner roses.

The Fuchsia Society is planning a Country Dance and box social with prizes for prettiest and funniest costumes on April 30 at McMaster Hall. We understand that anyone wearing shoes is socially... OUI! Ruth Towell is chairman of the dance.

Jerry Downing, son of Mrs. Alex Bates, 17039 Glenburn Ave., was home from the University of California at Santa Barbara this last weekend.

The Norman Johnsons, 3421 W. 175th St., were hosts to their niece, Miss Eleanor Meister and her friend and traveling companion, Doreen Graham, who flew from Toronto, Canada, for their first trip to California.

I found these twins I've been looking for! They were Andrea and Anthony Pleick, born to Mr. and Mrs. George Pleick, 8833 W. 170th St. at Kaiser Foundation Hospital.

During their stay, Miss Meister's birthday was celebrated with a dinner party. Mr. Johnson presented the three ladies with orchids and as a surprise for the honoree, put through a call to her parents.

They have a brother, Johnny, 5, and a sister, Julie, 3 1/2 years old.

The young woman left Monday to stay at the Statter where they will more conveniently tour the studios and other points of interest before flying to Las Vegas, then to Grand Canyon, Salt Lake City and on to Chicago, then home!

Mr. and Mrs. William Wright, 18328 Roslin Ave., and Billy and Wayne were dinner guests of the Ed Carlstroms, 3754 W. 175th St. at the Palms. The occasion marked the 14th wedding anniversary of the Wrights.

Cups of Pack 761-C saw the wonders of King Neptune's world at the Hermosa Aquarium Saturday morning. Parents accompanying the group included: Mrs. H. R. Black, Mr. and Mrs. J. Kallak, Messrs. J. Miller, C. Sewell, R. W. Gladdys, W. Towell and J. H. Cortez.

Mr. and Mrs. Leroy Patterson, 17348 Yukon Ave., were honored with a reception marking their 35th wedding anniversary at the Wednesday Progressive clubhouse in Gardena.

While their husbands attended the fights at Hollywood Legion Stadium, Connie Gastelum, Mary Krumede, Ruth Powell and Ruth Bruce saw a movie then met their fellas for a Chuck Waggoner supper.

Mrs. Dan Parrot and Mrs. Georgia Patterson acted as hostesses to 75 of the couple's friends and relatives.

A large table was set in white and silver with coral rosebuds and a cake in the shape of the number 35.
