1954 TORRANCE BUSINESS REVIEW

WILLIAM H. TOLSON came to Torrance in 1913, and has made his home here ever since. He is extremely active in elvie affairs, and was a member of the Torrance City Council for 14 years, 8 years of which he served as Mayor of the City. The present firm of William H. Tolson and Associates, 1920 W. Carson St., was founded in 1942, and dealt exclusively in industrial real estate. Since then the firm has branched out into tract sales, property management, insurance of all types, while still maintaining the original interest in industrial and commercial sales and leases.

THE RULE AT Quality Super Market, 2171 Torrance Blvd. Is fast and courteous service. For years a Torrance haldmark, the market stocks some of the most complete grocery, mark, the market stocks some or the most complete grocery, meat, fruit and vegetable departments in the city. Highest quality foods at the lowest prices are always to be found here. An additional feature of shopping here is the Frozen Food Lockers, which are located in the same building. You may rent your own private locker here, and this is calculated to save you not only time, but also money.

WHETHER VOURE A WEEK-END CARPENTER or a build in Lomita. New owner-manager Daye Wilkinson is a veteran of 15 years in the lumber business, and has been a resident of the South Bay area for 25 years. The company carries an impressive line of lumber, builders hardware, plywood, sash and doors, Old Colony paints, tools, Redwood fencing, and roofing. Open 6 days a week, till 6 p.m.

ELVER R. WHITE comes from a long line of contractors—
12 of them on his father's side alone. Elver, of course, is in the same type of business, and has been for the last 14 years, Located at 444 Lincoln St., Wilmington, he has many friends in the area who know him for his excellent work in remodeling and repairing as well as building additions to homes. He also does insurance adjustment work on damaged property. Installation of picture windows in place of small windows or even in blank walls is one of his special-ties.
