Foreign Student Scholarship Plan Gaining Local Support

Committee members of the newly-formed Torrance Chapter American Field Service International Scholarship last Friday met at the home of Mrs. Mervin M. Schwab, chapter chairman, to complete plans for a fund-raising "Ham Brunch" to be served at the YWCA on Saturday, April 24, from 11 a.m. to 1 p.m., under the direction of Mesdames Willard Keys and J. E. Popovich, ways and means chairmen.

The first donation for this community-wide project was given by the Torrance Council of Church Women. Business firms, organizations, civic groups and churches will be contacted for further help to enable at least two foreign students to attend Torrance High School for their senior year of schooling this fall.

At present there are four requests from homes in Torrance to "adopt" a student for school year, one of which has already been cleared by the AFSIS office. These students are selected by the Ministry of Education in each country and must have a workable use of the English language, a good character, and leadership potentialities. In returning to their country they serve as wonderful missionaries for the American way of life as it is lived in the average American homes and schools. Three hundred and fifty-three American students will spend the summer in foreign countries this summer on an exchange basis.

Any interested group desiring further information or a speaker's service should contact Mrs. Schwab, FA 8-1391 or Mrs. Samuel V. Rauss, secretary, at FA 8-6345.

Other chapter committee members are Mesdames Grover C. Van DeVenter, vice-chairman and home placement chairman; Dean L. Sears, treasurer; Evar Jansson, publicity chairman; and Miss Carmelita Rous, school relations chairman. Tickets for the "Ham Brunch" will be available from committee members.

Members of the Torrance Chapter AFSIS attending a Los Angeles Regional Area reception and luncheon at the Portuguese Bend Club last Saturday, April 3, were Mayor and Mrs. Schwab, Mrs. Van DeVenter, and Mrs. Jansson, Chapter chairman and "adopted" students from the entire Los Angeles region were hosted by the Peninsula Chapter to become acquainted with the AFSIS founder and National Director from New York, Stephen Galatti. Other guests were Harry Dunn, Los Angeles Regional chairman, and Mr. Galatti's staff representative and a group of ambulance drivers serving in World War I in France. The mechanics of screening and selecting students, the financial status, the aid given by the United States State Department, and the favorable results found in follow-ups on returned students were discussed.

and the favorable results found in follow-ups on returned students were discussed.
