Red Shield Trucks To Collect Castoffs

Salvation Army Red Shield trucks will visit homes here next Monday through Saturday, April 12-17, to collect castoff articles contributed by local residents in the annual Torrance Salvage Week campaign.

Reconditioning of the discards in workshops of the Salvation Army Social Service Center which serves this area will provide a social rehabilitation program for hundreds of needy and handicapped men, according to J. Hugh Sherfey Jr., chairman of the citizens committee assisting in the salvage drive.

The center last year provided an all-time high of 261,640 hours of occupational therapy, 58,704 meals and 19,092 lodgings, in addition to thousands of dollars worth of food, clothing and household articles given directly to needy families.

Brigadier Ranson D. Torrance Hits 62 Per Cent of Red Cross Goal

Torrance has reported \$9,014 or 62 per cent of its goal in the Red Cross fund drive, according to J. Hugh Sherfey, chairman.

Sherfey said that there is still enough money outstanding to push Torrance to its \$14,425 goal in the drive, which will last through mid-month.

At the Los Angeles Chapter Report Luncheon held Friday at the Statler Hotel, it was announced that \$2,634,000 or 87.5 per cent of the \$3,009,150 goal for Los Angeles has been reached.

In the Southwest Region, which includes Torrance, 76 per cent had been raised by Friday and hopes are that this will be upped to 90 per cent by tomorrow.

Key speaker at the Statler Luncheon was Major General William Dean.
