### Warren Bennett, EC Student, Gets SC Scholarship

El Camino student Warren Bennett, son of Percy Bennett, Torrance police detective, has received a full tuition scholarship and will enroll at USC for upper division work in the fall. Bennett, a public administration major, lives with his parents at 24651 Hawthorne Blvd. He is a graduate of Torrance High School. Under terms of the scholarship, Bennett may attend USC as long as he maintains a "B" scholarship average. On completion of work for his bachelor's degree, he will be enabled to continue into the field of graduate work in his chosen field, he indicated. At the conclusion of his freshman year at El Camino, Bennett was awarded the college's Athlete-Scholar award. He is a life member of Alpha Gamma Sigma, having served the local chapter as vice-president last year. During the first semester of the current college year, the Torrance youth was, president of the Associated Men Students; he is also a past president of the Circle K Mayans service club which played host to the California-Nevada-Hawaii district convention last week.
