**REPEAT PERFORMANCE . . .** The prolific lemon tree of Lorenzo Toricco, 804 Annapola Ave., has done it again, as Mrs. Toricco shows above. The tree produced four lemons on one stem, right and three on another. Mr. Toricco's tree has produced crops of fresh fruit in the past, giving the Toriccos plenty of fodder for lemonade.

### First Eagle Scout Feted in Walteria

By **BETTY MITCHELL**  
DA 6-4488

Monday, May 17, was a red letter day in our community. On that evening a large crowd assembled in a special court of honor given for Robert Adams of Madison St. and witnessed Bobby receive the Eagle Scout award—the highest of Boy Scout awards, and incidentally, the very first such honor to be given a boy in our community. Bobby, who is 14, has been a Scout for about five years. He is in the troop under the leadership of Mr. Robert Wagner of Winlock Dr. Needless to say, we are all very proud of Bobby's achievement. Among his other awards he has the silver mascot which is given for a 63-mile hike, and he also has 50 merit badges. At the program Monday evening Mr. Birmingham, co-leader for Troop No. 240, Bobby's troop, Mr. Wagner, Mr. Chaney, J. T. Bishop, Robert Maxwell who is district commissioner for this area, Mr. Hall, Mr. Crumm, and Master of Ceremonies Mr. Willys, all took part. The actual presentation was made by Jack Brown, vice-president of the Walteria Business Men's Club. Another great honor also was given Bobby, since he has been selected as one of two from this district to attend junior leadership training courses at Philmont, Clamarron, New Mexico in June. So to Bobby, who not only exemplifies a wonderful Scout, but also a good citizen, goes a warm salute and hearty congratulations.

Mr. and Mrs. John Monaghan of Danaha St. spent last weekend on a trip to Mexico—had a wonderful time too.

The General WSCS held its monthly meeting, the last of its fiscal year, at the Walteria Community Methodist Church last Tuesday evening. A large number of ladies attended to hear the final reports made by the officers who have served them this last year. Mrs. Melba Burenger was very surprised when the group presented her with a gold pin signifying a life membership in the WSCS in appreciation of the three years which Melba has served as president of the organization.

Melba Allen recently celebrated her tenth birthday by being hosted to her Bluebird group at a party held in her home on Newton St. The party was given with a circus theme, with the cake decorated gaily to carry out the idea. After games, Melba entertained her friends with accordion selections. The guests included Mrs. Fern Trantnam, the group leader, Lynn Trantnam, Kathy Smith, Carolyn Davis and Michelle Schonert.

The JFF Club held its monthly meeting on Tuesday, May 18, at the Park St. home of Mrs. Eva Kelly. Nine ladies were present for the interesting business meeting during which the club's annual outing was planned. This year the ladies are planning to go to the Bavarian Club at Manhattan Beach. Prize for the evening was won by Barbara Taraldson. The raffish prize was a box of See's candy. Hostesses were Leuela Lassen and Bessie Stonecker. The hostesses decorated the table beautifully with a large bowl of red roses surrounded with candles and green fern. Cherry pie and coffee or tea were served after the ladies worked some time on their quilt. The next meeting will be held on June 15 at the Recreation Hall. All members are requested to attend since very important business will be taken care of at that meeting.

Mr. and Mrs. John Minor of Park St. were very glad to welcome home on last Monday morning their son John Jr., daughter-in-law Helen, and their two children, John, who is with the U. S. Navy is on leave at present, and just got back from Chicago where he went to get his family.

Enjoying last Sunday were the Tom Fitzpatricks of Danaha St. when they were the guests of Mr. and Mrs. Bill Ransay of Long Beach.

Off for a month's vacation are Joyce Beers and daughter Mary Lou of Newton St. They are taking grandma, Mrs. Clara Temple, back to Chicago.

This week-end will be a big one for the Wilbur McFarlands, since they are going to camp up near Huntington Lake which is 60 miles north of Fresno. Sounds like a lot of fun.
