

1954 TORRANCE BUSINESS REVIEW 1954

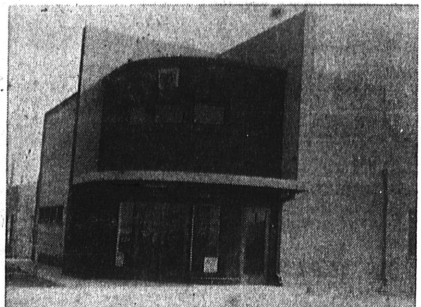

Mr. L. D. Agular, owner of the South Bay Ambulance Service, 704 Aguilar Blvd., Redondo Beach, states that his organization is ready to handle any emergency that might come up when transporting a patient to the hospital in his ultra-modern ambulances. Stocking a complete line of sickroom supplies along with oxygen service, all types of masks, tents and inhalators are available by calling FAirfax 8-1166 or FRontier 2-8431. All calls receive prompt attention.

The above 24 foot trailer is one of the latest models built by King Trailer Co., 437 E. Carson St. This trailer comes with a complete bath, electric refrigerator, apartment size stove, choice of interiors and island bed or twin beds, both front and back doors, and pancake heat. This trailer is triple insulated and it's construction, as well as all trailers built by King Trailer Co., was supervised by Walter King, owner. Mr. King personally supervises the building of all custom trailers, also, and any size and type can be built to your specifications. Mrs. King handles the office details.

THE A & M LUMBER CO., located at 13720 S. Western is open during the hours from 8:30 to 5:30 daily and on Sundays from 10 'til 2 p.m., with a complete selection of lumber and building supplies. They handle a fine stock of building materials for the builder as well as things needed by the "build-it-yourself" home owner. A & M Lumber feature redwood fences and invite you to stop by their yard to see the fine selection available.

One of the outstanding organizations to locate their headquarters in this community is the Operative Plasterers & Cement Masons International Assn., Local No. 888, located at 532 W. Carson. An affiliate of the A. F. of L., and, more specifically, of the Building Trades Council and the Central Labor Council, Local 888 received their charter in March of 1939, and set up headquarters in San Pedro. In November of 1950 they moved to their new present quarters. For plastering and cement masonry information, call FAirfax 8-3400.
