

The ROCK does not break

Holy Bible

YOU IN THE CHURCH THE CHURCH IN YOU

Character is the by-product of the church. It is here that young and old alike are schooled with beneficial and fruitful and influence for a better citizenship and a stronger democracy. In the church the individual are making religious character. Students today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Thus we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" is a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

William Benjamin Weaver, A. O. Box 314, N. Wash. D. C.

Let the hammer threaten as it will. Let the sickle cut and slash. The impregnable rock of Scripture will stand. The hammer blows will falter; the sickle's edge will grow dull; the Word endures. It is our hope forever.

The Crescent shall not throw down the cross from the Heavens. Dean Inge of St. Paul's Cathedral in London, England, thrills the Christian world with the news that one hundred million Russians have refused to bow their knees before the Kremlin Baal. Communism will fail among the common people of the world. Freedom and a sense of human worth are the Bible's gift to mankind.

How much are you and I doing to combat Communism in these United States? How much do we prize and practice Democracy? How faithful are we to the Christian Church? The truer we are to Christ, the less will Communism spread among us. So, withstand the attacks of Hammer and Sickle with your trust in the living Word. Read and obey the Bible of your fathers.

See You in Church TODAY!
