Gardens, Plaza Plan For Picnic Reported

By BOB STEELE
FA 8-4454

The first social event to include all residents of the Gardens and Plaza is about to become a reality. Save Sunday, June 28, for the most important event of the vacation season. This is the day of the pot-luck picnic to be held at 12:30 in Torrance Park.

This will be a gathering of folks of which you have never seen. There will be entertainment and games for one and all. Food and drink will be in abundance. You will meet your neighbors and they will meet you. Bring the kiddies and bring grandpa. Everyone is guaranteed a wonderful afternoon. There are more than 700 families invited, so let's all plan to be there.

In reply to the many inquiries for the reason this column has been missing for a few weeks are as follows: sickness, work commitments, other outside activities, and downright laziness.

In cooperation with the Torrance Police Dept., I am trying to locate the woman who was involved in an accident with a boy on a bicycle. The accident occurred recently on the corner of Fonthill and Torrance Blvd. According to the police department this woman will be in serious trouble unless she presents herself and fills out an accident report.

If the woman will report to police headquarters before the police locate her, she will most likely avoid having felony hit-run charges filed against her.

Due to the fact that this was a minor accident the police do not want to file charges. However, they will have no alternative if the woman fails to report voluntarily.

Sgt. Evans feels that the woman does not realize the seriousness of failure to report an accident involving a personal injury.

Neither Sgt. Evans nor the father of the boy want to prosecute; however, if the woman fails to report, they will have no choice.

Sgt. Evans believes the woman is a resident of the Gardens. Homeowners Association Old

The thundering herd of weasels is loose again to haunt every waking moment of mothers throughout the tracts. This is the time of year when grey hairs appear in ever-increasing numbers, when mothers secretly dream of the days when they were single.

The next three months will be hectic ones, but you'll love every moment of them. Kids can drive you batty, but wouldn't life be dull without them?

The Sprague family in the Plaza had a solution to the problem of traveling with a child. They took a neighbor boy with them and all had a wonderful time at Yosemite.

The Women's Bowling Team is well under way, and from all reports they are making a big splash in bowling circles. With new uniforms and sponsors they are, to quote Mrs. Belzer, "real snazzy." Some of the outstanding bowlers to date are Lucille Winters, Beverly Osborn, and Ruth Connoughton.

I have just received a bulletin from the Torrance Chamber of Commerce. The main topic of the bulletin is jobs for teenagers.

The C. of C. is going all-out to secure summer jobs for Torrance High School students.

I am certain there are some among us who are in position to hire a teenager for all or part of the summer.

Don't underestimate the kids. They are capable and qualified to do anything from construction work to typing and hospital work.

If you can help please call the Chamber and they will gladly help you select the person most suitable to your needs.

Don't forget the high school graduate. He will be looking for a permanent job.

In the Old Men's Softball League, there is more fun than fame. The "boys" are having a wonderful time in spite of lingering aches and pains. Many of them have discovered muscles they didn't know they had.

The official name of the team is Torrance Gardens and Plaza.

Annual Scout Breakfast Scheduled for June 27

The Second Annual Scouts Community Breakfast will be held Saturday, June 27, at the Jim Dandy Market on the corner of Crenshaw and Torrance Blvd. from 8 a.m. to 12 noon. The boys from Troop 219, Pack 241C, and Pack 228C, will be knocking on your door and offering tickets for your donation. Donations will be provided during the entire four hours. The menu will consist of various juices, milk, coffee, toast, boxed cereals, hot cakes, and sausage. One ticket entitles purchaser to all he can eat.

Men's Softball Team and Liniment Applicators Association, or for short, the TGPHAMSTLAAS.
