## Round the Riviera

### Barnetts Fly Back From Hawaii Visit

By MARY and JACK WEBB  
FRONTIER 5-3051

Earl Eckert, summer school principal of Riviera, Seaside and WALTERIA schools, reported today that it is not too late to register your children for summer school. This is not the handicraft classes we reported on last week, but regular summer school. If you wish your children to attend summer school, just send them to their nearest school and a teacher or student clerk will sign them in. Four weeks of school are left, he added, as the classes continue through July 31. School starts every morning Monday through Friday at 8:30 a.m.

Other activities for children through the summer months are the handicraft classes which are held in the afternoon, and which we mentioned above, and the Kiwanis swim program for children from 6 to 12 years old. Children sign up at the Torrance playgrounds for the latter.

Mrs. Mabel Blackmun, mother of Mrs. Lee Scott, 146 Calle de Andalucia, is here from her home in Santa Cruz for a few weeks' visit.

Mr. and Mrs. Jack Walker and Mr. and Mrs. Emil Huskamp hosted a dinner party for Mr. and Mrs. Lou Gearhart at the Huskamps' home, 118 Paseo de Granada, last July 2. The Gearharts left yesterday for Cleveland, Ohio, where he has accepted a higher position in his work. Into the Gearharts' former home at 109 Paseo de Granada move the Gearhart Mrs., who plan to make Riviera their permanent home.

At the going-away party, roast of prime rib held the center of dining table attention, surrounded by all those trimmings that make prime ribs just a wee bit better than ever.

We got an extra bang out of the Fourth of July, because of the afternoon we spent watching our Little League baseball team play at the Little League ball park at Crenshaw and Pacific Coast Hwy. Out there where there used to be nothing but hoodlums, there has been erected a number one type ball park, complete with bleachers, hot dog stand, and public announcing system. A fence surrounds the ball park, complete to the high wire protection back of home plate. Out on the field, dashing in authentic uniforms are the 8 to 12 year olds of Riviera and surrounding Torrance territories playing real baseball. Our crowd ate popcorn, candy, pop, and coffee and put our hearts into rooting the teams on. And all around us, like a Brooklyn echo, roared the encouragements of partisans to one team or the other. It made for a great afternoon and one we know most anyone would enjoy. We recommend your seeing the next games at the ball park Saturday, July 11, when the Braves face the Dodgers, while Sunday, July 12, a double-header finds the Cubs after the Cards, while the Pirates take on the Giants. Plan now to see these; you'll love 'em.

Congratulations to Mr. and Mrs. James Green, 142 Via Alameda, on the birth of their first daughter and second child. She arrived July 3 at Torrance Memorial Hospital weighing in at 6 lbs., 2 oz. Her parents have named her Lorie Ann. Marge and her new daughter arrived home from the hospital on Monday, July 6, to be welcomed enthusiastically by father James and son Gary, 6.

Mr. and Mrs. Ralph O. Greer, grandparents now for the second time, are visiting the Greens to be with them at birthtime. They are from Phoenix, Ariz. Likewise, on Marge's side, Mrs. Bertha Candler and Glen Candler, mother and brother, are due to arrive from Dubuque, Ia., next Monday to see the new baby. They will visit with the Greens for about two weeks before returning home.

Riviera members of the Court of Our Lady of Victory, No. 1344, Catholic Daughters of America, have been working at top speed to prepare for a public breakfast to be given Sunday, July 26, at the St. James, Redondo Beach, parish hall. Riviera Mrs. Will Zens, 167 Via Los Miradores, publicity chairman for the Catholic Daughters, announced this week that details of supplying the food for the breakfast have been ironed out by the donation of meat from Jim May, new owner of the Frontier Market meat department, who together with Riviera Jack Veltman, owner of Frontier Market, is arranging for bacon or sausage for the breakfast. The other necessary commodities, including pancake

flour, orange juice, and syrup, will be supplied through the efforts of De Simone Market, she added. Mrs. Lyle Peters, 331 Calle de Andalucia, ways and means chairman for the group, pointed out that proceeds from the breakfast will help support the Catholic Daughters' contributions to youth and to the Indian missions which they help support. The organization plans to serve breakfast to some four or five hundred persons through the morning of July 26. The very nominal sum of fifty cents for adults and thirty-five cents for children will be charged.

Born to Mr. and Mrs. Glen Grimley, 468 Calle de Aragon, last June 30 was daughter Margaret Ann, who weighed in at 7 lbs., 7 1/2 oz. She was born at the Torrance Memorial Hospital, and came home with mother on July 6. Margaret Ann joins older sisters, Joan 10, and Susan 5, at the Grimley household.

Mr. and Mrs. Barney Barnett, 140 Calle de Andalucia, have returned home from their vacation trip to the Hawaiian Islands. They sailed aboard the S. S. Lurline on June 19, returning home by Pan American Airlines last Sunday. Many Riverans attended the bon voyage parties held for the Barnetts both here in Riviera and aboard the ship prior to sailing. The Barnetts, who stayed at the Moana Hotel in Honolulu while in the Islands, report a full fun-schedule during their entire stay. They reported perfect weather for the many hours spent on Waialae Beach sunning and bathing. One of their side trips included an air trip to the big island of Hawaii, where they stayed for two days at Kona Inn while visiting the active volcanoes and other points of interest on the island. A tour of the entire island of Oahu, a full day's trip, and a formal dinner at the Royal Hawaiian Hotel were parts of the highlights of their trip. Fellow shipboard company included the Van Johnsons, Eddie Cantor, Joan Davis, and Tony Curtis and Janet Leigh. The Barnetts, met at the airport by many Riviera friends, donned in native Hawaiian costume; Ann in a Hilo Hattie dress and hat, while Barney sported a giant-size "Too Banana" cap. They looked just like they say, "We've had a great time."

NEW NEIGHBOR DEPT.: Monday last was the date we welcomed new neighbors into the Riviera from Seaside. They are the James Halls and their two children, Jimmy 7, and Glenda, 4. Mr. Hall is the city attorney at Torrance, and you may find his home at 315 Camino de las Colinas. Former residents at that address, the Robert Rusts moved recently with their four children to their new home in the valley.

Another new neighbor family is the Earl D. Barnums who together with their two children, Larry 9 and Bonnie 11, moved in recently at 213 Via Buena Ventura. Mr. Barnum is pastor of the Church of Religious Science in Redondo Beach. The Barnums moved here from their former home in Palos Verdes. Former residents at the Via Buena Ventura address were the W. G. Jerrens III of the Jerrens Van and Transfer Co.

Chuck Demaree, 465 Paseo de las Estrellas, president of the Riviera Sportsmen, reported great success in the recent fireworks sale conducted by his club. Because of the donation of time at the stand by members of the Sportsmen, the club will realize a tidy profit from its venture. Said profit, as you know, will go to the various youth organizations of the Riviera which the Sportsmen either sponsor or help. You'll see more of these profits spent at Halloween and Christmas time, when the Sportsmen show all our youngsters a good and expensive time.

Demaree added that the club will throw a big party in the near future to which all Sportsmen and their wives will be invited. The shindig will be held to show the club's appreciation for the way its members helped out during the fireworks sale.
