# Silver's Furniture Store Remodeled

Silver's Furniture Company has just completed an extensiv remodeling program at their modern store located at 512 N Hawthorne Ave., in Hawthorne.

Throughout the years many customer conveniences have bee added and now the selections of quality merchandise are large than ever before. You can choose from nationally-advertised lines with the aid of courteous and capable sales help.

If, by chance, the customer does not see exactly what he wants, he can now go directly to the factory and choose from an even more extensive stock.

Another Silver's feature is the "cost-plus" plan which turns over the savings to the customer on single-room or complete house outfitting.

Open daily from 9 to 9 for your shopping convenience, Silver's encourages "lookers" to compare their quality, selection, and prices. They carry their own contracts and invite out of state credit. Silver's also prides themselves on the fact that no high pressure selling is allowed in the store.

**STORE REFURBISHED . . .** Completing an extensive remodeling program at their modern store at 512 N. Hawthorne Ave., Hawthorne, is the Silver's Furniture Company. The store is sporting a new full-length sign as one of the modernization features.

# Wage Report Deadline Nears

Friday, July 31, is the deadline for filing California Unemployment Insurance wage reports and contribution returns covering the second calendar quarter of 1953, T. D. Weld, auditor in charge for the State Department of Employment in Long Beach, reminded Torrance employers.

Employers who fail to file and pay their unemployment insurance returns for the second quarter of 1953 on or before July 31, will reduce their chances of receiving a lower tax rate next year. Weld pointed out that it is not possible to use payments made after July 31 in computing employer rates that range from zero to 2.7 per cent. In addition, penalty and interest will be added to the amount of contributions if the report is filed after the last day of July.

Employers may obtain assistance in preparing their returns from the Auditing Section at 1315 Pine Ave., Long Beach, or by telephoning Long Beach 704-441.

# Dental Health Group Studies Finance Plans

Plans for financing the Torrance Dental Health Association program in Torrance during the coming year were under study this week by Attorney Don Hitchcock, who was recently appointed finance chairman of the group.

The new chairman has expressed an enthusiasm for the program and said he was planning to visit a number of Torrance organizations in the near future to urge their participation in the program.

**Started Last Year**

Organized last year by a group of Torrance citizens who wanted to do something about getting dental care for children whose parents would have trouble financing the work, the program has now progressed to a point where nine local dentists have volunteered their services on a minimum cost basis, and more than 20 children have had dental work completed. Another 15 children are in the process of being treated for dental deficiencies.

The children needing dental care are referred to the association by school nurses. If, after an investigation, it appears that the parents would be unable to finance the work, the association arranges for the treatment with one of the participating dentists, and an arrangement for repayment for the cost to the association is made with the parent. In some cases, the payment is waived.

George Powell, finance chairman of the group last year, has been named to head up the new committee on public relations.
