read of a milling firm in Teumsch, decided to take of a speaker with the late Henry Ford. He had of a milling firm in Teumsch, decided to take God at his word "and see what would happen" by planting, har vesting, and tithing wheat of a my plot of a sermon preached in the fall of 1940—John 12:24, which speaks of wheat Happen. The head of a milling firm in Teumsch, decided to take God at his word "and see what would happen" by planting, har vesting, and tithing wheat (7thing is the practice of offering the first tenth of increase to the Lord). That very week Hayden planted a cuble inch of wheat seed (360 kernels) on a tiny plot of the first tenth of increase to the Lord). The late He had of a milling firm in Teumsch, decided to take God at his word "and see what would happen" by planting, har vesting, and tithing wheat. (7thing is the practice of offering the first tenth of increase to the Lord). That very week Hayden planted a cuble inch of wheat seed (360 kernels) on a tiny plot of land four inches by eight inches furnished by the late He nry Ford. He determined to plant the remaining nine-tenths, repeating this six years according to the principle of Leviticus 25:3. The late of the crop as commanded his malandia 3:10 and to plant the remaining nine-tenths, repeating this six years according to the principle of Leviticus 25:3. The late of the crop as commanded his according to the principle of Leviticus 25:3. The late of the crop as commanded his continued the of the crop as commanded his malandia 3:10 and to plant the remaining nine-tenths, repeating the first tenth of late of the crop as commanded his according to the principle of Leviticus 25:3. The late of the crop as commanded his according to the principle of Leviticus 25:3. The late of the crop as commanded in the remaining nine-tenths, repeating the first tenth of late of the crop as commanded in the remaining nine-tenths, repeating the first tenth of late of the crop as commanded in the principle of Leviticus 26:3. The late of the crop as commanded in
