THE PALMS . . . Pictured is the modern front of the new Palms Restaurant, the city's newest restaurant and cocktail lounge, which will celebrate its grand opening tomorrow night. The restaurant, as modern inside as it is outside, is located at 1925 W. Carson St. (Herald photo).

NEW OWNERS . . . Peggy DeLaney and Ray Bell check the evening's menu at the new Palms Restaurant and prepare for a grand opening Friday night. Peggy is the hostess, Ray, the chef. They are co-owners of the modern eatery on Carson St. west of five points. (Herald photo).

Lavish Palms Restaurant Plans Grand Opening Tomorrow Evening

The exclusive The Palms restaurant, featuring charcoal-broiled steaks and prime ribs, will celebrate its grand opening tomorrow starting at 11 a.m., according to Peggy DeLaney and Ray Bell, co-owners.

The Palms, located at 1925 W. Carson St., has a seating capacity of 90 persons and a large cocktail lounge and bar decorated in the modern mode.

The co-owners were formerly the hostess and chef at a well-known restaurant in Wilmington. Here, too, Peggy will welcome guests, while Chef Ray handles the charcoal broiler and manages the modernly-equipped kitchen.

Lunches will be served starting at 11 a.m. daily. The kitchen will remain open until 11 p.m. The cocktail lounge will remain open until 2 a.m. nightly. Sunday hours are to be 4 p.m. to 10 p.m.

Fineries from the grill include steaks cooked to individual order while products of the salad bar include salads and dressings found in the most lavish hotel dining rooms of the country.

Science Sermon Topic Announced

That God is the source and substance of all that is real is pointed out in the Lesson-Sermon on "Reality" read in all Christian Science churches on Sunday.

The Golden Text is from Philippians (4:8) "Whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

A Bible selection from Job (22:21,30) counsels, "Acquaint now thyself with him, and be at peace; thereby good shall come unto thee . . . He shall deliver the island of the innocent: and it is delivered by the pureness of thine hands."

Mary Baker Eddy declares in the Christian Science textbook, "Science and Health with Key to the Scriptures": "We should strive to reach the Horeb height where God is revealed; and the corner-stone of all spiritual building is purity." "There is no error in Science, and our lives must be governed by reality in order to be in harmony with God, the divine Principle of all being." (pp. 241, 131).
