## Round the Riviera

# Dog and Cat Laws For Area Reviewed

By MARY AND JACK WEBB
FR 3-3051

William A. Mason, member of the Board of Directors of Hollywood Riviera Community Association, points out that many new residents of Riviera are not familiar with Torrance laws and Community association deed restrictions covering the maintenance of animals and pets.

Did you know, for instance, that the Torrance Land Use Ordinance No. 612 says "a maximum of two full grown cats or two full grown dogs are allowed in residential districts? Or that declaration No. 1 from the deed restrictions says "no cattle, hogs, or other animals, rabbits or poultry, may be kept in any part of the Hollywood Riviera district?" As the Board of Directors points out, these laws and restrictions have been made for the protection of residents against annoyances caused by animals capable of making loud and disturbing noises at unseemly hours or which cause disagreeable odors, or smells. Did we hear someone say these measures have been adopted for the common good? That's right, sir, and thank you for saying it.

Born to Mr. and Mrs. H. C. Vanderberg, 137 Paseo de Granada, on Sept. 19 at St. John's hospital was a daughter, whom they have named Connie Jo. She arrived at 1 a.m. on that date, weighing in at 6 lbs.; 10 oz. The little girl joins her three brothers, Michael, 9; Peter, 7 and Tommy, 3¼. Fraternal grandparents are Mr. and Mrs. H. L. Vanderberg of Kalamazoo, Mich. Maternal grandparents are Mr. and Mrs. G. T. Fichter of Wichita Falls, Texas, and Mrs. Eloise Smith.

Mary Margaret Wermuth, 209

Paseo de Granada, celebrated her seventh birthday last Sunday at her home. Parents Mr. and Mrs. Robert Wermuth made sure all guests were happy with a pink cake, ice cream, and overflowing pink and white nut cups. Guests at the affair included Mary Ruth and Kathleen Russell, Patty and Joann Zena, Susie Coleman, Bonnie Baldwin, Pamela Weisman, Joan McCarey, Pat Storms and sisters Terry and Laurie.

Mrs. Paul Szeesey, 246 Paseo de Granada, underwent major surgery at St. John's hospital in Santa Monica on September 21 and is now recovering at home.

Mr. and Mrs. Kermit W. Ryan, 148 Via la Circula, have a new arrival at their home. The little one, a baby daughter, arrived July 26, weighing 7 lbs., 1½ oz. She has been named Lori Jean.

Dr. and Mrs. Robert Hoag, 110 Via los Miradores, plan a family get-together Sunday, Oct. 4, to celebrate their daughter's first birthday. Little Louise will preside over a large white cake while her parents stand by with camera in hand. They will be watching for a possible hereditary trait shown up by older brother Dale, 4, at his last birthday. Young Dale, upon spying the cake frim his vantage seat in front of it, plunged both fists into the cake with a wild little cheer. The doctor and his wife have a photo of the happy moment of contact. They'll be ready again next Sunday should Louise repeat the performance.

Mrs. Conrad Christenson, 337 Camino del Campo, has resigned from the Torrance Water Co. to remain at home and take care of her little daughter who started to school this month.

Tonight down at the Sportsmen's club meeting, at Hollywood Riviera beach club, the club will hold their nominations and elections of officers for the forthcoming year; 8 p.m. is the time; all Riviera Sportsmen are requested to attend by president Chuck Demaree.

NEW NEIGHBOR DEPT.: Meet Mr. and Mrs. John C. Dunn, Jr., 404 Calle Mayor, who moved into their new Riviera home in May. The Dunns came from Playa del Rey. Both Dunns are native Californians (what's that?!!) Mr. having been born in Hermosa Beach, while Mrs. is from Los Angeles. He is a printer by trade, maintaining offices with his father, in their own business in Los Angeles. Mrs. Dunn was a teacher at Inglewood City schools until recently. She retired when they had their first baby, a little girl born Aug. 10 last at Hawthorne Community hospital, whom they have named Marianne Emily.

The newly organized Riviera unit of the Needlework Guild of America gave 76 garments at their first ingathering held at the San Pedro Community hospital last week. Mrs. Henry A. Graef, 115 Via los Miradores, co-chairman of the Riviera group, reported that the guild unit will hold its second ingathering in November, and invited interested persons to call her at FRontier 5-3404 for further details concerning the group.

## Garden, Garden Everywhere and Residents Gripe

Objection to the use of the name "Torrance Gardens" for a new development now being constructed in North Torrance was raised this week by members of the Torrance Gardens Homeowners Assoc. who live in the Torrance Gardens west of Crenshaw on Torrance Blvd.

City officials, however, said the developer was within his rights to use the name as such tract names were not registered other than as identifying symbols with the tract maps.

The developer, R. G. Watt, said yesterday that he was unaware that the name "Torrance Gardens" had been used here before. He said, however, that all the maps for the development had been filed under that name and that it would require an amendment to the whole process to change it now. One group of homes at 176th St. and Prairie have been built by the developer and another large tract at 190th St. and Yukon Ave. is now under construction.

Watt did say that he was having a sign painter change the huge signs on the area to read "North Torrance Gardens" in an effort to stem part of the confusion.

## Rites Held for Mrs. H. P. Norby

Funeral services for Mrs. Jensine J. Norby, 74, of 1715 Arlington Ave., were held Tuesday at Stone & Myers Chapel. Mrs. Norby died Sunday in Gardena.

Services were conducted by the Rev. John Taylor of the First Methodist Church and the Rev. Yngvar Johansen, of Los Angeles, and interment followed at Green Hills Cemetery.

A native of Wisconsin, Mrs. Norby is survived by her husband, Hans P. Norby; two sons, Clifford, of Altadena, and Herbert, of Oakland; a sister, Mrs. Betsy Hansen, of Wisconsin; three grandsons, Donald J. Norby, of Nevada, David W. of Altadena, and Raymond, member of the US Army; and one granddaughter, Susan Norby, of Oakland.

The November ingathering will be held at the Orthopedic hospital in Los Angeles and Mrs. Graef confirmed that she will make arrangements for interested persons to attend. The Needlework Guild of America, titled "the charity that helps other charities," collects and distributes garments to meet the need of various charitable organizations and investigates private community cases. Rivierans already active in the local unit include Mesdames Willard Key, co-chairman, Otto E. Willett, O. C. Lundstrom, Thorsten Burman, H. P. Koch, George F. Weston, Philip Downing, James E. Wade, and Mrs. Graef.

## Torrance Moose Win State-Wide Activity Award

"... that man's greatest good is found in service to his fellow man."

This excerpt from the prayer recited en masse at the regular meetings of the Loyal Order of Moose, and which in itself is the foundation upon which the international fraternal order was built, this week brought to the Torrance Lodge No. 785 recognition from the California Moose Association in the form of a state-wide first place trophy for public relations activities.

Earlier this month, the local lodge received one of twenty-five world-wide citations awarded by the international organiza-

victim into his car as she walked to school near 229th St. and Narbonne Ave. After refusing to get in the car "he grabbed me and pulled me into the car," the victim told Sgt. Cook.

Both kidnappings and rapes had similar modus operandi. Both girls were forcibly kidnapped. Both were driven away in a car and both were returned from which they were kidnapped.
