

HEADQUARTERS FOR PAINT . . . An exterior view of the new administration building here of the new million dollar paint manufacturing unit of the Pittsburgh Plate Glass Co. which was erected on Crenshaw Blvd. two years

ago. The plant is one of the city's newest industries and the beautiful headquarters shown here is an asset to the Crenshaw entrance to downtown Torrance.

SOLDERING LESSON . . . Service Representative Dorothy McTee gets a lesson in soldering from Switchman Ernie Case at distribution frames in telephone office, where FAIRfax telephone lines terminate. Miss McTee and Case were on hand to explain various phases of the communications business during Pacific Telephone's Open House celebration Thursday and Friday.

NEW DOUGLAS OFFICE BUILDING . . . Completion of the three-story \$1,052,000 administration building for the Torrance plant of Douglas Aircraft is slated in January. The building will contain 102,000 square feet of floor space.
