Church Tells Lesson Topic

"God the Only Cause and Creator" titles the sermon at the Sunday services of all Christian Science churches. That understanding of God as All-in-All heals, comforts, and saves, will be stressed.

In the Gospel of Luke is recorded the healing by Christ Jesus of the man with the withered hand. Jesus said unto the man "Rise up, and stand forth in the midst." Then he questioned the Pharisees, saying, "Is it lawful on the sabbath days to do good, or to do evil? to save life, or to destroy it? And he said unto the man, Stretch forth thy hand. And he did so: and his hand was restored whole as the other" (6:8, 9, 10).

"Mind produces all action," declares Mary Baker Eddy in the Christian Science textbook "Science and Health with Key to the Scriptures," and she counsels, "Tell the sick that they can meet disease fearlessly, if they only realize that divine Love gives them all power over every physical action and condition" (pp. 419, 420).

The Golden Text is from Revelation: "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created" (4:11).
