

Data Given On Beauty Contest

By BETTY MITCHELL
DA 6-4488

Here's more info on that beauty contest being sponsored by the Pacific Hills Homeowners' Association. The contest is open to any girl between the ages of 13 and 19, with the consent of the parents being necessary for those under 18. The girl must live in the Walteria-Pacific Hills-Weston Hills area. Some of the merchants in our town are sponsoring girls, while other contestants are entering on an individual basis. The girls must enter before July 10, while the judging itself will be held at the Torrance Civic Auditorium on July 16. Topping the contest will be a Coronation Ball on July 23, which will be an evening for teenagers. Adults may attend, as many will undoubtedly wish to do, to see the coronation of the lucky winner, but dancing will be for the teenagers only. If you are interested in obtaining an entry blank call DA 6-4195 or DA 6-2417 after 5 p.m.

Our sympathies and our prayers rest this week with two bereaved Walteria families. The first family, Mr. and Mrs. Robert Smith of Cripplewood, lost their little son "Chuckie" last week. Mr. and Mrs. Hubert Hampshire of Newton St. suffered the loss of Mrs. Hampshire's mother on last Friday. Mrs. Hampshire's mother lived in Texas.

Visitors in our community last Sunday were Paul and Gerrie Bowen and their two daughters. The Bowens came down from Ojai to watch grandma, Mrs. O. E. Allison of Long Beach, sing with her choir on TV.

The Hobby Show held last Friday night at the Walteria Methodist Church was a great success. Using the slogan of "The family that plays together stays together," the intermediate MYF sponsored this show as a family entertainment. Many fine displays were made by our local citizens including a luminous mineral collection shown in a darkened room with explanatory comment by J. A. Beasley; a large catering display by Mrs. Opal Simon showing nutmegs, place cards, cake decorations, etc.; a collection of pitchers by Mrs. Thomas Kirk; a model plane display by Robert White;

doll collections by Carla Cramer and Lena Judson; parakeets and African love birds contributed by Ed and Parks, along with an ant colony from his hobby; a coin collection by Linda Baker; rocks and mineral collections by Jane Baker, Priscilla Beasley, Carol Beasley and Wanda Wands; shell collection by Roger Maynes; shell collection from the

Marshall Islands by Marilyn Olding; stamp collections by Mrs. Margaret Dowd and Lorraine Maynes; indoor plant culture display and arrangement by Mary Olding; unusual plants grown from seed displayed by Mrs. M. L. Bennett; beaded articles shown by Gary McDonnell; knitted items made by Mrs. Lola Johnson; miniature farm and horse collection by Marilyn Olding; display of model cars by Richard Whitmer; a "ham" radio set complete with sending and receiving apparatus by Mr. Baker, and a power model plane shown by Bill Carroway. A large number of people came to view the interesting hobbies and then eat homemade cake and drink pop or coffee. A word of thanks from the MYF group goes to the many who helped make this venture such a success either by contributing a display, donating a pie or coffee, or by working so willingly in the kitchen.

Received good news this last week when we heard that the Virgil Hancock has returned from their trip to Oklahoma where they went due to the serious illness of Hancock's mother. Glad to know that she is much better, and some enjoyment was made possible during their trip.

Sorry to hear that Mae Hampshire of Newton St. has been very, very ill with the flu. Like-wise seems that the Anderson family of Dalemead has quite a round of misfortune with little Sandy contracting pneumonia and little Linda injuring her leg. Both daughters required the doctor and X-rays for treatment. Linda is much better now, as is Sandy, although Sandy will have to be a quiet convalescent for at least a month.

The program committee of the WSCS met at the home of Mrs. Robert Cramer, Los Cudena Ave. last Friday noon. The meeting was held during a lovely luncheon of creamed chicken on toast and all the trimmings. Attending were Mrs. Bonnie Beck, Mrs. Melba Buscemer, Mrs. Juliana Anderson, Mrs. Gloria Rose, Mrs. Adelaide Kirk, Mrs. Doris Kelton, and Mrs. Wanda Cornell.

Six brothers held a reunion with each other—the first one in many years—when the Kenth Tuckers of Danaba St. entertained last Saturday. Attending were the parents, Mr. and Mrs. Charles Tucker of Compton, Mr. and Mrs. Pat Tucker of San Diego, Mr. and Mrs. Gus Tucker of Oklahoma City, Mr. and Mrs. Frank Tucker and children of Long Beach, Olan Tucker, recently of Saudi Arabia, and Mr. and Mrs. Archie Tucker of Los Angeles. Meeting together the family enjoyed a day catching up on each other's lives and doling over a delicious patio supper of fried chicken, potato salad and apple pie.

The Community Methodist Church announced a church wide potluck will be held this next Sunday for all members following the morning service.

Mr. and Mrs. Richard DeMott, of Dalemead St. went fishing on a chartered boat last Saturday and Sunday. Don't know what kind of luck he had, though.

Ticket Chairman Named

Don Morrow of Torrance has been named ticket chairman for the California Ceramic Hobby and Gift Show to be held July 28 to Aug. 1 at Long Beach Auditorium.

The show is being staged in conjunction with the first annual National Ceramic Hobbyists' Convention.
