Deer Rules Approved By Calif Game Commission

Eight out of 16 special antlerless or either-sex deer hunting seasons, proposed by sportsmen and landowners, have been approved by the California Fish and Game Commission and will be held this fall.

A total of 4,630 deer, including 2,600 of either sex and 1,830 antlerless, will be taken by special permit.

As the result of local public hearings on the proposals, commissioners turned down requests for other special seasons in portions of Santa Barbara, Ventura, Los Angeles, Orange, Riverside, San Bernardino and San Diego Counties.
