All parking shall be between the lines of parking space.

SECTION 9.

It shall be the duty of each police officer to take the number of any meter at which any vehicle is overparked, as provided in this Ordinance; the State vehicle license of such vehicle; the time and date of such overparking, and the make of such vehicle; and to issue, in writing, a citation for illegal parking in the same form and subject to the same procedure provided for by the laws of the State of California applicable to traffic violations within said City.

SECTION 10.

That all of the revenue received by the City of Torrance from parking meters, over and above maintenance costs and in excess of the amounts required to be paid by the City under any contract of purchase for such parking meters, shall be deposited in a parking fund with the City of Torrance and is to be used for the purchase of off-street parking facilities by the City of Torrance.
