LOWEST PRICES

Low prices around the week . . . around the market—that's our policy and we play no favorite days in bringing you super savings on your favorite top-quality foods. Prices are exactly the same low, low prices on Monday, Tuesday and Wednesday that they are on Thursday, Friday and Saturday. When it comes to freshness . . . selection . . . value—the days of the week are alike as six peas in a pod. So shop whenever you like . . . whenever convenient—your money always buys more at this fine food store.
