

Tartar Teen Talk

Hey Tartars, don't forget to send your 10 favorite tunes to Peggy Wood, 2020 Marina. If you want Torrance represented on Ten Top Tunes, they must be sent by July 28.

Summertime is really the time for slumber parties. We can see why. No school. After going to a slumber party and staying awake most of the night you need about three days to recuperate.

One example is the Debs' recent slumber party. It was on July 14 at the YWCA. Some of the girls played an exhilarating game of softball before going. The team was the Rookies against Walteria and the latter team won 12-5. Others went to see the movie, "Them," before the party. Arriving, the girls had lots of fun eating, dancing,

and talking. Some of the girls stayed up all night and early in the morning went to the senior patio to watch the sun come up. They returned to fix breakfast at 6 a.m. All Debs attending had a wonderful time.

After spending the evening "snipe" hunting recently, another slumber party was held at the home of Bev Swile. Those trying to get some sleep in the wee hours of the morning were Marilyn Moss, Judy Powell, Maureen Bradford, Judy Cook, Peggy Sprout, Betty Walker, Sally Reed, Betty Jane Cyle, Doris McCrum and Bev.

Another slumber party was one held at Jean Northey's home. Attending were Joan Blackman, Diane Larson, Grace Maddy, Peggy Franklin, Martha Williams and Jean. All attending reported an enjoyable time.

Joan Laskaris and Peggy Wood report a wonderful time vacationing up at Big Bear. The girls left July 17 with Joan's parents and returned July 25.

Belated congratulations are due Sandra Constance, who represented California so well in the recent Miss Universe Contest. Torrance is really proud.

A beach party on July 13 at Colorado Lagoons provided lots of fun for nine couples. The party given by Carolyn Duncan

was attended by Faye Camp and Jimmy Haxton, Carol Owens and Ron Johnson, Jan Jones and Mel Copeland, Maria Tapia and Carl Larson. Wauthena Duncan and Jim Haworth, Marilyn Ryan and Benny Edwards, Connie Barrera and Bill Shank, Jerry Jones and Wes Parks, and Carolyn. Everyone attending had a wonderful time swimming and eating hot dogs.

An old-fashioned ice cream social was enjoyed by members of the Baptist Youth Fellowship, Sunday evening, July 11. After eating the delicious ice cream (which they cranked themselves) they were entertained by the famed ventriloquist Bob Radford and his dummy, "Jiggers" Johnson, which was followed by a short devotion. Bob formerly entertained in Las Vegas and New York and was also employed by National School Assemblies. Everyone reported that he was really terrific.

Spending a terrific five days in Catalina recently were Vicki Hagan and Linda Thistle. They left July 12 with Linda's family and returned July 16. Most of the time was spent swimming and the girls say the water is wonderful.

Congratulations and good luck are in order for Bob Scarborough and Martha Wallace, who became Mr. and Mrs. on March 14 and just recently announced it to their friends. The bride was given a belated surprise shower on July 1. Attending were Martha Williams, Diane Larson, Peggy Franklin, Grace Maddy, Jean Worthey, Alice Albertson, and Pat Merritt. They

showered Martha with many beautiful gifts.

Congratulations to Ella Mae McLeod on being voted Miss Walteria-Pacific Hills.

Learning new cheer leading techniques at Pepperdine College last week was Tartar yell leader Tom Kulp. He was sent on behalf of the other yell leaders by the Student Council. Tom came home with many new ideas.

Jofran Rubeo is having a great time spending six weeks with various relatives in Pittsburgh, Pa. She left June 8 on the TWA Airlines and will return on Aug. 20.

Picnicking at Orange County Park July 12 were a group of Tartars. After eating they went bicycling and rowing. Couples attending were Gerry Jacobs and Linda Halberg, Tom Kulp and Milti Trimew, Gary Knox and Johanne Parker, Bill Montgomery and Chiki Davenport, and Jerry Hughes and Diane Berry.

July 18 was again the time when the grunion run so several seniors of '55 decided to try their luck. The gang went to the Torrance Beach and with no luck rounded out the evening by going to the Pike in Long Beach. Fun was had by all attending.

All the Tartars seemed to have transferred their beaching from Knob Hill to Torrance Beach. It really is a swell beach.

That's all for now, but be sure to call in your news.

ASK MRS. DENNETT
The teacher was talking about the dolphin and its habits. "And children," she said, impressively, "just think! A single dolphin will have 2,000 baby dolphins!"
"Goodness!" exclaimed the little girl at the foot of the class. "And how many do the marlin ones have?"
